

The Rensselaer Medal Scholarship

Cuthbertson High School

The Rensselaer Medal is a prestigious award given to a current junior who is in the top 10% of his/her class, demonstrates a potential for success in a challenging academic setting, excels in advanced math and science courses and exhibits significant involvement in extracurricular activities. Applicants must have completed chemistry, physics, and a minimum of four years of mathematics through pre-calculus by the end of their high school career. Please complete the following application and submit to Mrs. Brown by Tuesday, April 18th.

To be honored with the Rensselaer Medal Scholarship, a student must**

- Be ranked within the top 10% of the current junior class
- Demonstrate potential for success in a challenging academic setting
- Excel in advanced math and science courses (accepted students have completed chemistry, physics, and a minimum of four years of mathematics through pre-calculus)
- Exhibit significant involvement in extracurricular activities

** Please note that interest in attending Rensselaer is not part of the selection criteria.
