

2006-2008 Jordan Acres School Report Card

<http://www.brunswick.k12.me.us/jas>

Jordan Acres School concentrates on the introduction of basic reading, spelling and mathematics skills appropriate to each grade level. Science and social studies are introduced and incorporated through integrated, interdisciplinary units. These subjects are supplemented by programs in health, physical education, art and music. All students have opportunities to become knowledgeable about computer technology.

Report Card: The No Child Left Behind Act requires each district and school to disseminate and make public our student achievement test scores on the Maine Educational Assessment (MEA) test. It further requires us to share with the public accountability data and highly qualified teacher information.

Section A Reading Assessments

Reading Assessment Grade 3							
Student Groups	School Year	School % Meets/Exceed	State % Meets/Exceed	% Students in each Category			
				Exceeds	Meets	Partially Meets %	Does Not Meet %
