## Required End of Year Testing

Dear Raider Families:

As we approach the end of the school year, we would like to share information with you regarding the expectations for students to participate in end-of-year testing. Unlike Spring 2020, all students are expected to take the following state tests, as required by federal and state law:

- End of Grade Tests in Reading, Mathematics (Grades 3-8), and Science (Grades 3 and 8)
- End of Course Tests in NC Math 1
- Career and Technical Education Tests

All state and federal tests are required to be administered in person and at school. Unfortunately, it is not possible to have students take assessments at home. The well-being of our students, teachers, and communities is the highest priority and our schools will work to ensure all health and safety protocols are in place. To support safe settings and to give students access to tests, the testing window has been extended so fewer students are in a school at the same time.

We understand that there may be concerns about students who are currently enrolled in the Full Remote Academy coming to school to take an assessment. Please consider the value of having information on your student's learning this school year, particularly in planning for instruction next year.

As we have all experienced in the last several months, by working together we can make the best decisions for each student. If you have any concerns or needs, please contact your student's teacher for more information or a discussion on how we can best meet the needs of your student and your family.

Your child is scheduled to participate in the following NC Assessments in person at Ranson IB Middle School:

Required End of Year Testing		Date(s)
<b>Grade 6</b>		
	Social Studies Final	May 10, 2021
	Science Final	May 11, 2021
	Grade 6 Reading EOG	May 12, 2021
