

## Department of Research and Accountability

Greetings:

The Department of Research and Accountability salutes your efforts to evaluate and provide meaningful research insight for academic improvements and to enhance positive educational outcomes for future generations. In efforts to support high-quality research outcomes, please see specific research criteria below to help ensure the privacy and safety of research participants and safeguard instructional programs that align with district and federal goals and objectives. Thank you for partnering with Jackson Public Schools.

1. Please provide a formal email or letter: **Attention: LaToya Blackshear, The Department of Research and Accountability. Jackson Public School District. PO BOX 2338. Jackson, MS 39225-2338 or email [lblackshear@jackson.k12.ms.us](mailto:lblackshear@jackson.k12.ms.us).**
2. Include: Research Title, name of the site(s) requesting for data collection, and a description of research methodologies and instruments used to complete the research.
3. Complete and return the Jackson Public School Research Request Application.
4. Provide a consent form that includes the voluntary nature of the study, research procedures, risks and benefits of the research study, confidentiality clause, and contact information for further inquiries.
5. Include an Institutional Review Board (IRB) approval letter upon receipt **and** attach a complete copy of the IRB application.
6. Provide a copy of the data collection research instrument. (ex. Hardcopy or electronic survey).
7. Provide Jackson Public Schools Department of Research and Accountability with a copy of the complete research results. Jackson Public Schools reserves the right to use research findings for educational programs, services, grant proposals, professional development, and other services that may support academic success. Thanks again for partnering with Jackson Public Schools.
