The event will be held in the middle school gymnasium. We will be able to live stream the award ceremony as parents will not be in attendance. The stream will include a traditional program: teacher created student slideshow, special music, awards and recognition, and speakers. The special music will be comprised of 8th grade instrumental and vocal groups. In past years, we were only able to showcase our 8th vocal, this year we plan to have performances from 8th grade orchestra and band as well due to the location.
