The Board of Trustees of the Jackson Public School District (hereafter referred to as "JPSD") is soliciting sealed, written formal Requests for Proposals (RFP) from qualified vendors (hereafter referred to as "Vendor") for the purchase of furniture, equipment, supplies, materials, labor or services as outlined in the following specifications. Sealed rfps shall be received by JPSD, in the Business Office of the Jackson Public Schools, 662 South President Street, Jackson, Mississippi, until the time specified on the RFP Opening Schedule (front page of the formal rfp document), at which time all rfps shall be publicly opened and read aloud. Neither dating of the rfp form nor placing the rfp in the mail by this date shall meet legal requirements; the formal rfp document must be **received in the Business Office** of the Jackson Public School District on or before the date and time stated.

JPSD reserves the right to reject any and all rfps received and to waive any and all informalities. Vendors are encouraged to very carefully read all sections of this rfp document prior to submitting an rfp proposal.

It is the basic philosophy of JPSD to extend to all responsible Vendors equal consideration and the assurance of unbiased judgment in determining whether their product or service meets specifications and the educational needs of the school district. JPSD shall fairly evaluate all formal rfp proposals submitted and base all decisions on the "lowest and best" rfp concept, purchasing only those products and/or services which meet the specifications as written. All decisions rendered shall strive to achieve the greatest value from every tax dollar expended. JPSD shall make no discrimination based on race, color, creed, religion, or national origin, in either the product evaluation process or in transacting business with Vendors or Vendor representatives.

The advertising and publishing of this rfp has met all legal requirements (Mississippi Code of 1972, Annotated, §31-7-13), hence the requirement to offer public notice of the intent of JPSD to solicit rfps via this rfp document has been satisfied.

This document is to serve as an invitation to all qualified vendors to extend to JPSD, an offer, for the sale of all products and/or services specified herein. It is the purpose of this rfp document to clearly define "open" and "competitive" product or service rfp specifications. All items on this rfp are to be **as specified or JPSD approved equal**.

Addendum: Vendor shall acknowledge the receipt of all addendums which were issued during the course of this rfp. If specified in the text of the addendum, in addition to acknowledging receipt of the addenda below, the addenda may require additional information required for the rfp (e.g., pricing), in which case the Addendum shall not only be acknowledged below but shall be completed and attached to the rfp at the time the rfp proposal is submitted. Receipt of the following Addendum issued during the course of this formal rfp is hereby acknowledged:

Addendum Number		Date	
Addendum Number		Date	
Addendum Number		Date	

It is acknowledged that this rfp proposal consists of the following sections: **PROPOSAL FORM**, **INSTRUCTIONS AND CONDITIONS**, **SPECIFICATIONS** and any **ADDENDUM** (if applicable).

Net Prices
In all cases, prices quoted are to be net including all applicable discounts. A separate price shall be offered for each item and not in combination with other items (unless the grouping of items is otherwise allowed as defined in the specifications). Unit price shall prevail in case of a conflict between unit and total price (extension); written price shall prevail in case of a conflict between written and enumerated pricing. Vendors are instructed to **round off all unit pricing and extensions to the nearest whole cent; i.e., round the pricing to two places to the right of the decimal point only.** JPSD will only accept pricing which is stated in this manner. All items for which pricing is submitted which is other than two places to the right of the decimal shall be accepted; however, all digits beyond a whole cent (more than two places to the right of the decimal) shall be ignored in the rfp analysis process and the unit price indicated on the purchase order shall be to the nearest whole cent for each item involved.

Payment and Invoicing

Unless otherwise indicated in the detailed specifications of this rfp document; JPSD shall make remittance in a **single lump sum** payment **following satisfactory delivery of all items** listed on the purchase order or following satisfactory performance (final inspection) of all services as specified in the contract. JPSD remits by "completed purchase order" only; remittance shall not be made upon receipt of partial shipments or performance, or the receipt of invoicing for same, but only after all items included on the purchase order or contained in the contract are delivered and/or satisfied.

It is mutually understood that invoices submitted against Multi-Year or Open Purchase Orders, remittances are processed based on the contracted scheduled agreement prior to the purchase order being generated. Only **Multi-Year** and **Open Purchase Orders** have multiple invoices received for remittance for payment. Professional Services, materials and other such services; invoices are submitted for payment in intervals following satisfactory delivery of ALL services and /or performance of ALL services indicated in the contracted agreement between said vendor and JPSD for that time period, following inspection if applicable.

Performance Penalty
The Consultant is subject to a 10% penalty on this Agreement for the 2022-2023 school year if the academic objectives of this agreement are not satisfied. The District will withhold 10% of the total contract for final payment to be made after the academic objectives are satisfied.

Default and Delays
Upon failure of the Vendor to deliver all of the items ordered or to render service, within the time set or allowed, the successful Vendor shall be considered in default, in which case JPSD reserves the right to terminate the purchase order or contract and to purchase similar supplies, services, or furniture and equipment, on the open market or secure the manufacture, delivery, and installation thereof by contract or otherwise. The Vendor shall be charged with any cost occasioned by JPSD whether said cost is the same as originally accepted or any excess cost.

Damage to School Property
Any damage or loss to JPSD property as a result of any action by the Vendor in the delivery, execution or performance of any item or service stated in these specifications shall be repaired or replaced to the satisfaction of designated JPSD personnel, at the Vendor's cost, within a reasonable time.

Guarantee
Each Vendor, by presenting an rfp under these specifications, binds himself to make positive that all goods are fully up to the standards set by the specifications. Should it be discovered within a reasonable period of time from the date of purchase order or contract that such goods or services are not up to standard, JPSD shall have the right to have such goods or services replaced by others conforming to the standard requirements and the entire expense be borne by the Vendor. The Vendor shall agree to guarantee and warrant all equipment provided as a result of this rfp for a period equal to the stated guaranty/warranty in the specifications. All such warranties shall provide the coverage as indicated in the specifications.

Acceptance and Award of RFP Proposals
The Vendor's rfp proposal, once submitted and accepted as a valid rfp by JPSD, shall be deemed by both parties to constitute a legal and binding offer on the part of the Vendor to sell to JPSD as per the terms of the rfp specifications, all products and/or services contained therein. RFP proposals are subject to acceptance by JPSD at any time within forty-five (45) calendar days following the rfp opening date. Consequently, all price quotations shall be effective for a minimum of forty-five (45) calendar days and a maximum period as indicated in the specifications. All rfps must be valid for the effective dates stated in the specification, if applicable.

Award of contract shall be made to the responsible Vendor whose rfp, conforming to the specifications, is deemed to be the most advantageous to JPSD, price and all other factors considered. The Vendor acknowledges the right of JPSD to reject the rfp, in part or in total, if the Vendor fails to submit the data required in the specifications, or if the rfp is in any way incomplete or irregular. Under no circumstances may a Vendor deliver, install, or perform any service as specified in these specifications without written authorization from JPSD (i.e., a duly issued purchase order or signed contract). All RFPs shall be approved by the Board of Trustees prior to the final award.

The Vendor shall be issued a purchase order document, which shall be deemed acceptance of the rfp proposal offer made by the Vendor, for all items and/or services approved by the Board of Trustees and awarded as a result of this rfp. However, if in the opinion of JPSD a contract document is required to authorize the award of the rfp,

Vendor agrees to sign and execute all such contract documents as required in the written specifications. NOTE: If Vendor policy requires that JPSD sign Vendor contract documents, a sample of all such documents shall be included with the rfp proposal and shall become a part of the Vendor's rfp proposal.

All awards are based on the availability of funding. In the event of a reduction of funds, this award can be rescinded at any time.

Grievance Procedure

JPSD has adopted a Vendor Grievance Procedure to address and resolve any Vendor grievances or disputes resulting from or arising out of JPSD's rfp process.   If Vendor disagrees with any aspect of the rfp process, Vendor shall adhere to the following procedure. Vendor shall submit a letter or written statement of protest to the Purchasing Agent, with a copy to the Superintendent, identifying the rfp, including rfp number, title, opening date and, if applicable, the item number(s) at issue, and explaining, in detail, the nature of and/or reason(s) for the protest. No verbal protest shall be acknowledged by JPSD. Vendor protests must be received by the Purchasing Agent not later than five (5) business days prior to the date of the Board meeting at which the Board is to act upon the rfp that is the subject of the protest. A review committee, appointed by the Superintendent, shall evaluate the protest and render a decision expeditiously. The decision of the review committee shall be based on evidence presented by the Vendor, the Purchasing Agent and other appropriate parties, to be determined in the discretion of the committee. In the sole discretion of the committee, the committee may conduct a hearing on Vendor's protest. The decision of the review committee shall be submitted to the Superintendent for approval. The protesting Vendor shall be informed, in writing, of the Superintendent's decision not later than two (2) business days prior to the date of the Board meeting at which the Board is to act upon the rfp that is the subject of the protest. The Superintendent's decision shall be final unless Vendor appeals such decision to the Board of Trustees. If Vendor's wishes to appeal the Superintendent's decision, Vendor shall deliver its appeal, in writing, to the Office of the Superintendent not later than 12:00 p.m. on the date of the Board meeting at which the Board is to act upon the rfp that is the subject of the appeal. Appeals shall be presented to the Board at the meeting at which the Board acts upon the rfp that is the subject of the appeal and Vendor, upon written request, will be granted up to five (5) minutes to appear and present to the Board at such meeting its protest and/or appeal. After the Board takes final action upon an rfp, no appeals or protests will be acknowledged by JPSD. The decision of the Board shall be final, subject to Vendor's right to pursue a legal remedy.

Proposal Requirements

Purpose

The JPSD is seeking sealed proposals from authorized and qualified Vendors to establish a source of supply purchase agreement between JPSD and a selected Vendor to purchase Apple devices, software, services, and accessories or equivalent that meet the JPSD standards. Vendor shall warrant that the devices and other items shall be delivered new and not as a "used, substituted, rebuilt, refurbished or reinstalled" product.

Scope of Work

It is the goal of the JPSD, through the RFP process, to establish a source of supply purchase agreement with vendor(s) from the date of the Jackson Public School District Board of Trustees approval of the award until September 30, 2022, that is not to-exceed U. S. Educational unit pricing for all items. Orders will not be made all at once, but on an as-needed basis until the end of term. The vendor is expected to supply a standard price that does not vary based on quantity, frequency of the order, or delivery location.

All mobile computers, desktops and tablets quoted by the vendor must be capable of being managed by Jamf School, which is the District's current MDM. All device orders will include a Jamf School lifetime license.

Term

It is the intent of the JPSD for the term of agreement for this specific RFP to be from the date of the Jackson Public School District Board of Trustees approval of the award until June 30, 2023, unless terminated earlier as provided.

Pricing for Orders

The awarded line-item U. S. Educational Pricing may not increase during the life of the agreement more than that which is permitted by Mississippi state law. The Vendor's proposal is expected to supply a standard price that does not vary based on quantity, frequency of the order, or delivery location. JPSD will request quotes for each order and the Vendor is encouraged to investigate and provide all possible educational, quantity, and any other available discounts. The not-to-exceed U.S. Educational unit pricing maybe decreased based on volume discounts.

Substitutes and Upgrades

- SUBSTITUTES: If technology changes causing components to no longer be available and/or the part number drops or changes, the awarded Vendor is expected, within reason and in good faith, to offer an equivalent or better substitute at or below the original proposed price.

- UPGRADES: Cognizant of the continual change and evolution of computer technology, the JPSD reserves the right to upgrade individual components of each system to accommodate said changes. The Contractor shall: (1) agree to sell new and current state-of-the-art components to the JPSD under the same pricing method quoted in this Proposal, and (2) provide customer service calls to share knowledge pertaining to changing computer technology and to assist the JPSD planning efforts to advantageously stay abreast of technology impacting educational institutions.

- The JPSD must approve all substitutes or upgrades.

- The JPSD's unit pricing may be adjusted upward when the JPSD requests upgrades based on new technology. Minor pricing changes may be mutually agreed upon during the term of the contract only when approved by the JPSD Board of Trustees and/or Finance Director.

Delivery

- JPSD shall not be responsible for any products delivered without an approved purchase order.

- All goods are to be shipped FOB Destination freight prepaid and included.

- All deliveries are to be made to the applicable delivery location as indicated on purchase order.

Ability to Perform

- Vendor must provide a copy of or a detailed statement of standard warranty terms and conditions for Apple devices (Outside of the purchased Apple Care)

- Vendor must have trained and certified service technicians on staff or maintain an agreement with a qualified, nationally recognized sub-contractor to provide warranty repair services. Vendor must provide a statement as to how they will comply with this requirement.

- Vendor shall provide a statement as to any optional value-added services such as web-based order/shipment tracking; web-based records of equipment specifications ordered and history database on each system purchased by the JPSD.

Submitting Pricing for Evaluation

Please complete all JPS Business Office required forms. On the proposal cover page required for submission (original page 13), please reference the exact location and/or page number where pricing sheet(s)s can be found. The pricing must be referenced clearly and marked in the proposal documents as pricing documents. The quantity and exact products are undetermined. Cost per item should be provided for each item. The District is requesting pricing for all items on the Pricing Sheets, however, vendors are not required to provide pricing for every item. Vendors can attach their own quotes and pricing sheets if necessary.

References

Give at least three (3) local school districts of similar size and scope. List school accounts first. Preferably current accounts or within the last three (3) years. Include the school name, contact name, address, telephone number, and email.
