Contractor's obligation to indemnify, defend and hold harmless includes any claim by Contractor's agents, employees, representatives, or any subcontractor or its employees.

Contractor expressly agrees to indemnify, defend, and hold harmless the Superintendent for any claim out of or incident to Contractor's or subcontractor's performance or failure to perform the Contract. Contractor's obligation to indemnify, defend, or hold harmless the Superintendent shall not be eliminated or reduced by any actual or alleged concurrent negligence by Superintendent or its agents, employees, or officials.

The Contractor and his/her employees or agents performing under this Contract are not employees or agents of the Superintendent. The Contractor will not hold himself/herself out as nor claim to be an officer or employee of the Superintendent or of the state of Washington by reason hereof, nor will the Contractor make any claim or right, privilege, or benefit which would accrue to such employee under law. Conduct and control of the work will be solely with the Contractor.

21. Insurance.

a. **Worker's Compensation Coverage.** The Contractor shall at all times comply with all applicable worker's compensation, occupational disease, and occupational health and safety laws, statutes, and regulations to the fullest extent applicable. This requirement includes the purchase of industrial insurance coverage for the Contractor's employees, as may now hereafter be required of an "employer" as defined in Title 51 RCW. Such worker's compensation and occupational disease requirements shall include coverage for all employees of the Contractor, and for all employees of any subcontract retained by the Contractor, suffering bodily injury (including death) by accident or disease, which arises out of or in connection with the performance of this Contract. Satisfaction of these requirements shall include, but shall not be limited to:

- 1) Full participation in any required governmental occupational injury and/or disease insurance program, to the extent participation in such a program is mandatory in any jurisdiction;

Except to the extent prohibited by law, the program of the Contractor's compliance with worker's compensation and occupational disease laws, statutes, and

regulations in 1), 2), and 3) above shall provide for a full waiver of rights of subrogation against the Superintendent, its directors, officers, and employees.

If the Contractor, or any subcontractor retained by the Contractor, fails to effect and maintain a program of compliance with applicable worker's compensation and occupational disease laws, statutes, and regulations and the Superintendent incurs fines or is required by law to provide benefits to such employees, to obtain coverage for such employees, the Contractor will indemnify the Superintendent for such fines, payment of benefits to Contractor or subcontractor employees or their heirs or legal representatives, and/or the cost of effecting coverage on behalf of such employees. Any amount owed the Superintendent by the Contractor pursuant to the indemnity may be deducted from any payments owed by the Superintendent to the Contractor for the performance of this Contract.

- b. **Proof of Insurance.** Certificates and or evidence satisfactory to the Superintendent confirming the existence, terms and conditions of all insurance required above shall be delivered to the Superintendent within five (5) days of the Contractor's receipt of Authorization to Proceed.
- c. **General Insurance Requirements.** Contractor shall, at all times during the term of the Contract and at its cost and expense, buy and maintain insurance of the types and amounts listed above. Failure to buy and maintain the required insurance may result in the termination of the Contract at the Superintendent's option. By requiring insurance herein, Superintendent does not represent that coverage and limits will be adequate to protect Contractor and such coverage and limits shall not limit Contractor's liability under the indemnities and reimbursements granted to the Superintendent in this Contract.

Contractor shall include all subcontractors as insureds under all required insurance policies, or shall furnish proof of insurance and endorsements for each subcontractor. Subcontractor(s) must comply fully with all insurance requirements stated herein. Failure of subcontractor(s) to comply with insurance requirements does not limit Contractor's liability or responsibility.

- 22. Licensing and Accreditation Standards.** The Contractor shall comply with all applicable local, state, and federal licensing, accreditation and registration requirements/standards, necessary to the performance of this Contract.
- 23. Limitation of Authority.** Only the Superintendent or the Superintendent's delegate by writing (delegation to be made prior to action) shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this Contract. Furthermore, any alteration, amendment, modification, or waiver or any clause or condition of this Contract is not effective or binding unless made in writing and signed by the Superintendent.
- 24. Non-Discrimination.** The Contractor shall comply with all the federal and state non-discrimination laws, regulations and policies, which are otherwise applicable to the Superintendent. Accordingly, no person shall, on the ground of sex, race, creed, religion, color, national origin, marital status, families with children, age, veteran or military status, sexual orientation, gender expression, gender identity, disability, or the use of a trained dog guide or service animal, be unlawfully excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any activity performed by the

Contractor and its agents under this Contract. The Contractor shall notify the Superintendent immediately of any allegations, claims, disputes, or challenges made against it under non-discrimination laws, regulations, or policies, or under the Americans with Disabilities Act. In the event of the Contractor's noncompliance or refusal to comply with this nondiscrimination provision, this Contract may be rescinded, cancelled or terminated in whole or part, and the Contractor may be declared ineligible for further contracts with the Superintendent.

25. Overpayments. Contractor shall refund to Superintendent the full amount of any overpayment under this Contract within thirty (30) calendar days of written notice. If Contractor fails to make a prompt refund, Superintendent may charge Contractor one percent (1%) per month on the amount due until paid in full.

26. Payments. No payments in advance or in anticipation of services or supplies to be provided under this Contract shall be made by the Superintendent. All payments to the Contractor are conditioned upon (1) Contractor's submission of a properly executed and supported voucher for payment, including such supporting documentation of performance and supporting documentation of costs incurred or paid, or both as is otherwise provided for in the body of this Contract under Duties of the Superintendent, and (2) Acceptance and certification by the Superintendent or designee of satisfactory performance by the Contractor.

Except as otherwise provided in this Contract, (1) All approvable vouchers for payment due to the Contractor shall be paid within thirty (30) calendar days of their submission by the Contractor and acceptance and certification by the Superintendent or designee, and (2) All expenses necessary to the Contractor's performance of this Contract not specifically mentioned in the Contract shall be borne in full by the Contractor.

27. Public Disclosure. Contractor acknowledges that the Superintendent is subject to the Washington State Public Records Act, Chapter 42.56 RCW, and that this Contract shall be a public record as defined in RCW 42.56. Any specific information that is claimed by the Contractor to be confidential or proprietary must be clearly identified as such by the Contractor. To the extent consistent with chapter 42.56 RCW, the Superintendent shall maintain the confidentiality of all such information marked confidential or proprietary. If a request is made to view the Contractor's information, the Superintendent will notify the Contractor of the request and the date that such records will be released to the requester unless Contractor obtains a court order enjoining that disclosure. If the Contractor fails to obtain the court order enjoining disclosure, the Superintendent will release the requested information on the date specified.

28. Publicity. The Contractor agrees to submit to the Superintendent all advertising and publicity matters relating to this Contract which in the Superintendent's judgment, Superintendent's name can be implied or is specifically mentioned. The Contractor agrees not to publish or use such advertising and publicity matters without the prior written consent of the Superintendent.

29. Registration with Department of Revenue. The Contractor shall complete registration with the Department of Revenue and be responsible for payment of all taxes due on payments made under this Contract.

30. Records Maintenance. The Contractor shall maintain all books, records, documents, data and other evidence relating to this Contract and performance of the services described herein, including but not limited to accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Contract. Contractor shall retain such records for a period of six years following the date of final payment. At no additional cost, these records, including materials generated under the Contract, shall be

subject at all reasonable times to inspection, review or audit by the Superintendent, personnel duly authorized by the Superintendent, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement.

If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.

- 31. Right of Inspection.** The Contractor shall provide right of access to its facilities to the Superintendent or any of its officers at all reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance under this Contract on behalf of the Superintendent. All inspections and evaluations shall be performed in such a manner that will not unduly interfere with the Contractor's business or work hereunder.
- 32. Severability.** The provisions of this Contract are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the Contract.
- 33. Subcontracting.** Neither the Contractor nor any subcontractor shall enter into subcontracts for any of the work contemplated under this Contract without obtaining prior written approval of the Superintendent. Contractor is responsible to ensure that all terms, conditions, assurances and certifications set forth in this Contract are included in any and all Subcontracts. In no event shall the existence of the subcontract operate to release or reduce liability of the Contractor to the Superintendent for any breach in the performance of the Contractor's duties. This clause does not include contracts of employment between the Contractor and personnel assigned to work under this Contract.

If, at any time during the progress of the work, the Superintendent determines in its sole judgment that any subcontractor is incompetent, the Superintendent shall notify the Contractor, and the Contractor shall take immediate steps to terminate the subcontractor's involvement in the work. The rejection or approval by the Superintendent of any subcontractor or the termination of a subcontractor shall not relieve the Contractor of any of its responsibilities under the Contract, nor be the basis for additional charges to the Superintendent.

- 34. Taxes.** All payments accrued on account of payroll taxes, unemployment contributions, any other taxes, insurance or other expenses for the Contractor or its staff shall be the sole responsibility of the Contractor.
- 35. Termination for Convenience.** Except as otherwise provided in this Contract, the Superintendent or Superintendent's Designee may, by ten (10) days written notice, beginning on the second day after the mailing, terminate this Contract in whole or in part. The notice shall specify the date of termination and shall be conclusively deemed to have been delivered to and received by the Contractor as of midnight the second day of mailing in the absence of proof of actual delivery to and receipt by the Contractor. If this Contract is so terminated, the Superintendent shall be liable only for payment required under the terms of the Contract for services rendered or goods delivered prior to the effective date of termination.
- 36. Termination for Default.** In the event the Superintendent determines the Contractor has failed to comply with the conditions of this Contract in a timely manner, the Superintendent has the right to suspend or terminate this Contract. The Superintendent shall notify the Contractor in writing of the need to take corrective action. If corrective action is not taken within thirty (30) days, the Contract may be terminated. The Superintendent reserves the right to suspend all or part of the Contract, withhold further payments, or prohibit the

Contractor from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the Contractor or a decision by the Superintendent to terminate the Contract. In the event of termination, the Contractor shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original Contract and the replacement or cover Contract and all administrative costs directly related to the replacement Contract, e.g., cost of the competitive bidding, mailing, advertising and staff time. The termination shall be deemed to be a "Termination for Convenience" if it is determined that the Contractor: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence. The rights and remedies of the Superintendent provided in this Contract are not exclusive and are in addition to any other rights and remedies provided by law.

37. Termination Due to Funding Limitations or Contract Renegotiation, Suspension. In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Contract and prior to normal completion of this Contract, with the notice specified below and without liability for damages:

- a. At Superintendent's discretion, the Superintendent may give written notice of intent to renegotiate the Contract under the revised funding conditions.
- b. At Superintendent's discretion, the Superintendent may give written notice to Contractor to suspend performance when Superintendent determines there is reasonable likelihood that the funding insufficiency may be resolved in a timeframe that would allow Contractor's performance to be resumed.
 - (1) During the period of suspension of performance, each party will inform the other of any conditions that may reasonably affect the potential for resumption of performance.
 - (2) When Superintendent determines that the funding insufficiency is resolved, it will give the Contractor written notice to resume performance, and Contractor shall resume performance.
 - (3) Upon the receipt of notice under b. (2), if Contractor is unable to resume performance of this Contract or if the Contractor's proposed resumption date is not acceptable to Superintendent and an acceptable date cannot be negotiated, Superintendent may terminate the Contract by giving written notice to the Contractor. The parties agree that the Contract will be terminated retroactive to the date of the notice of suspension. Superintendent shall be liable only for payment in accordance with the terms of this Contract for services rendered prior to the retroactive date of termination.
- c. Superintendent may immediately terminate this Contract by providing written notice to the Contractor. The termination shall be effective on the date specified in the termination notice. Superintendent shall be liable only for payment in accordance with the terms of this Contract for services rendered prior to the effective date of termination. No penalty shall accrue to Superintendent in the event the termination option in this section is exercised.
- d. For purposes of this section, "written notice" may include email.

38. Termination Procedure. Upon termination of this Contract the Superintendent, in addition to other rights provided in this Contract, may require the Contractor to deliver to the Superintendent any property specifically produced or acquired for the performance of such part of this Contract as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

The Superintendent shall pay to the Contractor the agreed upon price, if separately stated, for completed work and services accepted by the Superintendent and the amount agreed upon by the Contractor and the Superintendent for (a) completed work and services for which no separate price is stated, (b) partially completed work and services, (c) other property or services which are accepted by the Superintendent, and (d) the protection and preservation of the property, unless the termination is for default, in which case the Superintendent shall determine the extent of the liability. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause for this Contract. The Superintendent may withhold from any amounts due to the Contractor such sum as the Superintendent determines to be necessary to protect the Superintendent against potential loss or liability.

The rights and remedies of the Superintendent provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law under this Contract.

After receipt of a notice of termination, and except as otherwise directed by the Superintendent, the Contractor shall:

- a. Stop work under this Contract on the date and to the extent specified, in the notice;
- b. Place no further orders or subcontractors for materials, services or facilities except as may be necessary for completion of such portion of the work under the Contract that is not terminated;
- c. Assign to the Superintendent, in the manner, at the times, and to the extent directed by the Superintendent, all rights, title, and interest of the Contractor under the orders and subcontracts in which case the Superintendent has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts;
- d. Settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts, with the approval or ratification of the Superintendent to the extent the Superintendent may require, which approval or ratification shall be final for all the purposes of this clause;
- e. Transfer title to the Superintendent and deliver, in the manner, at the times and to the extent as directed by the Superintendent, any property which, if the Contract had been completed, would have been required to be furnished to the Superintendent;
- f. Complete performance of such part of the work not terminated by the Superintendent; and
- g. Take such action as may be necessary, or as the Superintendent may direct, for the protection and preservation of the property related to this Contract which, in is in the possession of the Contractor and in which the Superintendent has or may acquire an interest.

39. Treatment of Assets. Except as otherwise provided for in the Contract, the ownership and title to all real property and all personal property purchased by the Contractor in the course of performing this Contract with moneys paid by the Superintendent shall vest in the Superintendent, except for supplies consumed in performing this Contract. The Contractor shall (1) maintain a current inventory of all the real and personal property; (2) label all the property "State of Washington, Superintendent of Public Instruction"; and, (3) surrender property and title to the Superintendent without charge prior to settlement upon completion, termination or cancellation of this Contract.

Any property of the Superintendent furnished to the Contractor shall, unless otherwise provided herein, or approved by the Superintendent, be used only for the performance of the Contract.

The Contractor shall be responsible for any loss or damage to property of the Superintendent which results from the negligence of the Contractor which results from the failure on the part of the Contractor to maintain and administer that property in accordance with sound management practices.

If any property is lost, destroyed, or damaged, the Contractor shall notify the Superintendent and take all reasonable steps to protect the property from further damage.

All reference to the Contractor under this clause shall include Contractor's employees, agents and subcontractors.

- 40. Waiver.** A failure by either party to exercise its rights under this Agreement shall not preclude that party from subsequent exercise of such rights and shall not constitute a waiver of any other rights under this agreement. Waiver of any default or breach shall not be deemed to be a waiver of any subsequent default or breach. Any waiver shall not be construed to be a modification of the terms of this Agreement unless stated to be such in writing and signed by personnel authorized to bind each of the parties.

FEDERAL GRANT TERMS AND CONDITIONS

PROHIBITION OF TEXT MESSAGING AND EMAILING WHILE DRIVING DURING OFFICIAL FEDERAL GRANT BUSINESS

Federal grant recipients, sub recipients and their grant personnel are prohibited from text messaging while driving a government owned vehicle, or while driving their own privately owned vehicle during official grant business, or from using government supplied electronic equipment to text message or email when driving.

Recipients must comply with these conditions under Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," October 1, 2009.

MEMORANDUM to ED GRANTEEES REGARDING THE USE OF GRANT FUNDS FOR CONFERENCES AND MEETINGS

You are receiving this memorandum to remind you that grantees must take into account the following factors when considering the use of grant funds for conferences and meetings:

- Before deciding to use grant funds to attend or host a meeting or conference, a grantee should:
 - Ensure that attending or hosting a conference or meeting is consistent with its approved application and is reasonable and necessary to achieve the goals and objectives of the grant;
 - Ensure that the primary purpose of the meeting or conference is to disseminate technical information, (e.g., provide information on specific programmatic requirements, best practices in a particular field, or theoretical, empirical, or methodological advances made in a particular field; conduct training or professional development; plan/coordinate the work being done under the grant); and
 - Consider whether there are more effective or efficient alternatives that can accomplish the desired results at a lower cost, for example, using webinars or video conferencing.
- Grantees must follow all applicable statutory and regulatory requirements in determining whether costs are reasonable and necessary, especially the Cost Principles for Federal grants set out at 2 CFR Part 200 Subpart E of the, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards." In particular, remember that:
 - Federal grant funds cannot be used to pay for alcoholic beverages; and
 - Federal grant funds cannot be used to pay for entertainment, which includes costs for amusement, diversion, and social activities.

- Grant funds may be used to pay for the costs of attending a conference. Specifically, Federal grant funds may be used to pay for conference fees and travel expenses (transportation, per diem, and lodging) of grantee employees, consultants, or experts to attend a conference or meeting if those expenses are reasonable and necessary to achieve the purposes of the grant.
 - When planning to use grant funds for attending a meeting or conference, grantees should consider how many people should attend the meeting or conference on their behalf. The number of attendees should be reasonable and necessary to accomplish the goals and objectives of the grant.
- A grantee hosting a meeting or conference may not use grant funds to pay for food for conference attendees unless doing so is necessary to accomplish legitimate meeting or conference business.
 - A working lunch is an example of a cost for food that might be allowable under a Federal grant if attendance at the lunch is needed to ensure the full participation by conference attendees in essential discussions and speeches concerning the purpose of the conference and to achieve the goals and objectives of the project.
- A meeting or conference hosted by a grantee and charged to a Department grant must not be promoted as a U.S. Department of Education conference. This means that the seal of the U.S. Department of Education must not be used on conference materials or signage without Department approval.
 - All meeting or conference materials paid for with grant funds must include appropriate disclaimers, such as the following:
The contents of this (insert type of publication; e.g., book, report, film) were developed under a grant from the Department of Education. However, those contents do not necessarily represent the policy of the Department of Education, and you should not assume endorsement by the Federal Government.
- Grantees are strongly encouraged to contact their project officer with any questions or concerns about whether using grant funds for a meeting or conference is allowable prior to committing grant funds for such purposes.
 - A short conversation could help avoid a costly and embarrassing mistake.

Grantees are responsible for the proper use of their grant awards and may have to repay funds to the Department if they violate the rules on the use of grant funds, including the rules for meeting and conference-related expenses.
