Funding for this Request for Proposal starts July 1, 2020 with the start 2020/2021 fiscal budget.

SAU #31 Newmarket School District reserves the right to waive any of the formalities of this RFP, to request additional information from any respondent, to negotiate with any respondent, to negotiate with more than one respondent, to reject any or all proposals or parts of proposals, to solicit new proposals, and to award contracts to one or more respondents or to reject any or all respondents as it deems in its best interest. The issuance of this RFP does not guarantee that a contract will be awarded. Any proposal received after the time specified will be considered a late proposal. Following evaluation of all proposals, the School may do one or more of the following: (1) conduct interviews with representatives of one or more of the respondents; (2) select an apparent successful respondent and enter into contract negotiations; selected for award based on the proposals, and commence negotiations with those respondents, and then invite those respondents to submit best and final offers; or (4) reject all proposals if it is determined to be in the best interests of the SAU #31 Newmarket School District.

All submission respondents shall supply proof of insurance with the SAU #31 Newmarket School Department being named as an additional insured based on the limits required for all vendors/contractors working within the Newmarket School District. Vendors/contractors shall supply the SAU#31 Newmarket School District with the properly filled out submission of IRS form W-9 upon award. Failure to supply required submissions shall constitute submission award withdrawal and award to the next qualified submission.

Scope:

Newmarket School District is seeking proposals to renovate the JR/SR High Annex building, formerly used as an art class and studio, to create four (4) offices, breakroom, open conference room, and storage room. The four (4) offices will be created in the existing open area located towards the front of the building. The wall construction shall be based on 2x4 construction on either wood or metal framing, insulated walls, sheetrock, prepped and finished, and painted. All existing spaces will receive different levels of attention based on the supplied drawing and informational sheets. All demolition and disposal necessary shall be included. The proposal shall include all necessary electrical, HVAC, plumbing, cabinets, general construction, flooring, window installation, doors, hardware, and finishes. The contractor shall include any fire detection changes to the facility to allow for occupancy by the School District. The scope of work is for a complete and operational space renovation to be occupied upon completion by the contractor. See details note sheet attached.

Any necessary permits shall be obtained by the contractor with fees being waived by the Town of Newmarket.

Flooring colors and designs shall be selected upon award based on contractor supplied samples. Wall finish colors shall be selected upon award based on contractor supplied color palettes based on three colors (trim, walls and accent walls colors) at the direction of the School District's representative.
