

Rhyming Word and Picture Cards

Directions: Print off and cut apart the pictures on the sheets to make cards. These cards can be used in a variety of ways:

- 1) Have children find pairs of cards that rhyme words.
- 2) Give children many cards and have them sort groups of rhyming words together.
- 3) Gather 8 – 10 pairs of rhyming cards, mix them up, and turn them upside down on the table. Have children take turns drawing 2 cards. If the cards rhyme, the child can keep the cards. If they don't rhyme, they are turned back over and it's the next person's turn. When all the cards are turned over, matched, and taken, the person with the most cards wins.
- 4) Have children group pictures starting or ending with the same sound.
