- **Level 2: Honors** - Course content, pace, and academic rigor place high expectations on the student and surpass standards specified by the NCSCOS. These courses demand greater independence and responsibility than Level 2 courses. *This level or higher is suggested for competitive college admission.*
- **Level 3: Advanced Placement, IB, CCP** – Course content, pace, and academic rigor are college-level as adopted by the College Board and prepare students to take the AP examinations which *may lead to college credit.*

- The registration card includes core and elective classes.
- Please select 8 classes by marking an X by the course.

# NC ACADEMIC SCHOLARS

NC Academic Scholars is a recognition that you may receive upon graduation.

Students must have an **overall four year unweighted GPA of 3.5** and **complete certain courses** to qualify.

You should not have taken any required classes on a Pass/Fail basis.

Please see your Program of Studies to access the NCAS requirements for your class.

# PASS/FAIL COURSES

Students will be permitted to enroll in **one (1) elective course per school year on a Pass-Fail basis.** The course may be in addition to courses that use only a Pass-Fail grading system. However, the student must decide within the first two weeks if the course is to be taken on a pass-fail basis. **NC Scholars may not take a required course as pass/fail.**

# WAIVERS

As you are selecting your courses, you will have the option of selecting CP, Honors, or AP level courses. If your teacher did not recommend you for an honors or AP level course, you must turn in a waiver. This waiver will require a parent/guardian's permission to take the advanced course.

**Waivers are available on the school counseling website**

# REGISTERING FOR AP COURSES

- If you register for an AP course, please check the following list to ensure that you have also registered for the honors companion course.
- It is the expectation of UCPS that students taking AP courses will take the AP Exam.
  - The following courses have an honors companion course, making these AP courses yearlong courses. Please register for BOTH the honors companion course AND the AP course.

■ AP Art	■ AP Biology
■ AP Calculus AB	■ AP Chemistry
■ AP German	■ AP Chinese
■ AP English III (Language)	■ AP French
■ AP Statistics	■ AP Spanish
■ AP US History (American History I Honors)	■ AP English IV (Literature)
- The remainder of the AP courses are single semester courses.

# NCVPS / UCV COURSES

- It is our recommendation that all courses be taken face-to-face, however....
  - NCVPS and UCV courses are offered online for some classes that are not offered in the building.
  - Students must fill out an application, and online classes will be held in a lab setting.
  - If a course is offered in UCV, we will use that format rather than NCVPS.
  - NCVPS courses are used when UCV does not offer a course that you would like to take.
