

Rayville Jr. High. Weekly Newsletter 4/26/2020

In compliance with Proclamation Number 47 JBE 2020 (Elementary and Secondary Education), Schools in Richland Parish will remain closed throughout the remainder of the school year.

Announcements:

- Ms. Ranel will be available in the office from 10-4, Monday through Thurs.
 - Please follow social distancing guidelines.
- Math Content can be found on the new Google Classrooms. You can join your class with the codes listed below:
 - 6th grade: j4j6r6e
 - 7th grade: zzn4t2m
 - 8th grade: 2wxwj4hHigh Tech Learning will be through Khan Academy. The assignments will best prepare you for the next grade level. Low Tech assignments will be available on May 4th.
- ELA Content assignments will be posted in the new Google Classrooms. You can join your class with the codes listed below:
 - 6th grade: dngn26s
 - 7th grade: xmb6f7s
 - 8th grade: n4smdy6High tech ELA learning will consist of a combination of fluency reading practice and a weekly skills practice in the form of a cold read article. Low tech options for the fluency are available immediately and the skills practice will be available on May 4th.
- If your student has trouble logging into Google, please contact Mrs. Cardin @ 303-5909

A Note from the Principal

The school year can bring about many different emotions: excitement, anticipation, and even frustration due to the unknown. We are in a time of confusion and stress all around the world. At RJHS, it is our goal to try to minimize most of your concerns, especially, when it comes to providing a safe and productive learning environment for academic achievement and excellence. The staff and I are committed to serving every student and providing each with the greatest opportunity to succeed on and off our campus. Every child is important to us. We are grateful that you have chosen to trust us with your most precious possession, your child.

In addition we want to have parents involved in our school activities, projects and daily learning. We have been encouraged by the concern and response that we have had from our parents about how to move the learning forward during this time of uncertainty. Parents, we encourage you to engage in the activities we are posting and share in learning the strategies that your child is using in the classroom. We need you and value the love and support you have given us throughout the year but we need you now, more than ever.

Also, I know that many families are struggling because of the upheaval in our daily lives. This is certainly not how we imagined we would be finishing up our school year, but we are excited that we have the tools and technology to continue to offer your children the opportunity to keep furthering their education. We are blessed and honored to be able to add a sense of normalcy in the lives of our children. We want you to know that we are here for our RJH families and pray for the safety and health of everyone in our community.

Lastly, we want to motivate and inspire our students to let their curiosity drive their learning and to achieve far above what we know. We want to empower our students to use the resources available, equipping them to strive for excellence in all they attempt. Together, we *can* make this happen. This year and each year on our campus is filled with great expectations that can often turn into great challenges. One thing I do know, "If you want to go fast, you go alone. If you want to go far, you work together!" Thank you for working with us to make this school year a success.

~~Great Expectations

Nettie Ranel, Principal

Distance Learning Resources Online:

- Visit the Richland Resource Hub at richland.k12.la.us
 - Search activities by grade-level and subject area
 - Check students Google Classrooms for updates and posts from teachers.
- ★ Paper Packets can also be picked up in the front office during lunch pickup beginning May 4th.
