

RICHLAND LEARNING CAMP

Richland Learning Camp (RLC) is more than traditional summer school! Our goal is to provide students with learning experiences in the core content, ELA and math, to address unfinished or missed learning, and also to engage students in exciting enrichment activities.

RLC is a 4-week, full-day experience with instruction and opportunities for students to grow their interests or discover their talents in art, science, music, technology, etc.

**When:
8:00 am - 3:00 pm
Mondays - Thursdays only
