## 2019 – 2020 PROFILE

### COMMUNITY

Robbinsville High School is located in Robbinsville Township, New Jersey, ten miles east of the state capital. Adjacent to the research and development corridor between Rutgers and Princeton Universities, the community is dynamic, growing, and comprised mainly of a well-educated middle and upper class population. With a high value on education, a high percentage of Robbinsville parents are corporate leaders, financial executives, doctors, lawyers, engineers, and other professionals.

### SCHOOL

Despite being a young high school having graduated only twelve classes, Robbinsville High School has distinguished itself by equipping its students to gain entrance to the nation's most prestigious colleges and universities. By following a rigorous academic curriculum and participating in a wide array of co- and extra- curricular experiences, RHS students are able to pursue challenging and meaningful experiences designed to equip and empower them as well-rounded learners.

### ACCREDITATION

Robbinsville High School is accredited by the New Jersey Department of Education.

### MISSION

The mission of Robbinsville High School is to engage students in an academically challenging and technologically advanced learning environment that fosters the development of young adults as responsible, respectful, and innovative contributors to a global society.

### CURRICULUM

The college preparatory curriculum is designed to challenge students' academic potential while addressing the entrance requirements of competitive colleges. The program contains a full complement of courses including advanced placement courses in most disciplines. In addition to state and local mandated courses, Robbinsville High School offers an abundance of interesting and meaningful electives – something for everyone whether it is the arts, technology, engineering, business, or a particular career path.
