PART 1 - Reading and Analysis: This week students will be writing a literary analysis essay on the play *Fences* by August Wilson. The essay should be approximately 500 words in length (or 2 pages typed, double-spaced, 12 Point Times New Roman). If a student must hand-write the essay, they should focus on the word count rather than the length as everyone's writing style/size differs. The grading sheet/rubric will be posted in MS Teams, and it will also be emailed on Monday, April 20. The essay will be due on Monday, April 27th.

PART 2 - Vocabulary: Students should continue working through the VL 7-VL 9 Review Assignments in the packet given on 3/13 **OR** continue working on the "Academic English 12 VL7-9 Review Quizlet" (The VL7-9 Review assignment is due this Friday, April 24.)

Directions: This week students will be selecting **one** type of Expository Writing Text Structure (Comparison and Contrast, Enumeration, Cause and Effect, Problem/Solution, or Chronological/ Sequential) and using their class time this week to develop an essay on a topic of their own choosing using the text structure they have selected. The essay should be approximately 400-600 words in length. I will send a rubric on Monday morning.

Students will also complete a new vocabulary unit this week, Vocabulary Power Plus Level 7 Lesson 9 (VL 9). I sent out a link to the VL 9 Quizlet. It is my preference that students complete the vocabulary drills through the quizlet website rather than using the paper packets going forward. However, if there are any students/families who would prefer the paper exercises over the quizlet drills, please email me, and I will send you a copy of the VL 9 PDF.

Day 26 (4-20):
