Roses are Red & Ring Around the Rosie

Nursery Rhymes & Fables

We are going to listen to many nursery rhymes in the next few weeks.

Nursery Rhymes & Fables

Nursery rhymes are short poems written for young children and have been around for hundreds of years.

Your parents and grandparents probably heard these same rhymes when they were your age.

Nursery Rhymes & Fables

Say the words nursery rhymes. Explain that they are called “nursery rhymes” because **nursery** is another name for a young child’s bedroom. Many children probably listened to nursery rhymes being read aloud to them while in their nurseries, perhaps before going to sleep.

Nursery Rhymes & Fables

You may also hear these nursery rhymes called “Mother Goose” rhymes. Tell students that people have different opinions about whether or not Mother Goose was a real person who actually wrote these rhymes. However, this name has been associated with nursery rhymes for many years.

Nursery Rhymes & Fables

Words that have different beginning sounds but end with the same sounds are said to rhyme. For example, cat/hat, big/pig, coat/goat, bake/take. As you hear the nursery rhymes in this domain, you will get a lot of practice listening for words that rhyme.
