# Credit Check Learning Targets

I will be able to use my transcript to complete my high school graduation checklist.

I will be able to determine if I'm on track for graduation and what requirements I've already met.

I will be able to use the course catalog to determine what requirements each of my classes meet.

# Tools

# Four-Year Plan Lesson

Slides 9-13

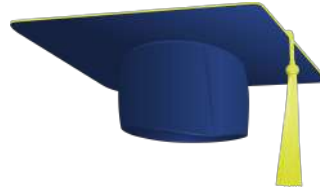

# Four-Year Plan Learning Targets

I will be able to use my graduation checklist to determine what credits I still need for graduation.

I will be able to plan out when and how I will meet those graduation requirements over my remaining years of high school.

# Reminders

- This plan is subject to change over time, just do your best!
- If you are behind in credits:
  - Note which class(es) you cannot fit in your plan
  - Work with your counselor to figure out when and how you might make up those credits
- Soon, you will learn about all the class offerings at RRHS next year
  - Use this plan to help you know which classes you want/need to take
