

# RUGBY SPORTS BOOSTERS

Greetings Parents/Guardians of Rugby Jr. High and High School Students!

We are excited to provide you with a brief introduction to the Rugby Sports Boosters. Rugby Sports Boosters is a non-profit organization comprised solely of amazing volunteers who love our kids, respect our teams, and admire our coaches. Our elected officers and board members give their time and love to the program simply because we are a PANTHER FAMILY!

Several years ago, the Sports Boosters was created to help support and promote the athletic programs at Rugby High School. Today, we continue to define and design activities and fundraising events that support ALL Panther Athletic Programs. We support and assist the student athletes and coaches at Rugby Jr. High and High School by hosting sporting events, purchasing athletic awards/equipment, hosting banquets, assisting with camp fees, and sending teams to tournaments.

In order for the Sports Boosters to function, we need friends, family and people like you to actively participate by giving some of your personal time and energy. It's a great way to meet other parents, support our students and RHS. In addition to attending meetings, we need some volunteers to help host events, sell tickets or snacks, and more!

All are welcome, no experience is necessary!

The Sports Boosters holds monthly meetings, on the first Wednesday of every month at 6:00pm at Dakota Farms. Meetings are open to everyone, and we encourage you to attend. We are always looking for suggestions and volunteers to serve on committees or help in any way. We cannot do this without you and encourage you to ask questions, present ideas, and participate in any capacity.

Your help is needed even if you have just a few hours. Some volunteer opportunities available include:

- **Concessions** The Sports Boosters handle concessions at various athletic events. Volunteers help set up and run stands, grill/serve food, clean up/close at athletic events when concessions are provided.
- **50/50 Raffle** Volunteers sell raffle tickets to spectators at sporting events (usually home basketball games) where the winner of the raffle wins ½ the money collected.
- **Ticket Taking** the Sports Boosters handle the ticket taking at home football games, volleyball games, girls and boys basketball games, wrestling meets and hockey games. Volunteers will take tickets and hand out programs for the sporting event from about one hour before the game until halfway through the event.
- **And much, MUCH, more!** This is NOT an exhaustive list of ways you can volunteer. Please contact a Booster Board Member TODAY! We need you!

Information on meetings, events, and camp reimbursement can be found on both the Rugby High School website: <https://www.rugby.k12.nd.us/rps> and Rugby Panther Sports Boosters Facebook page.

Thank you for your time and consideration. Parent involvement makes the boosters work for the Athletes! Get involved today! Please do not hesitate to contact any of the following members regarding your much needed participation is an incredible opportunity to be involved in Panther Athletics.

Stacey Lunde- Cross Country	Nicole Schneibel- Football	Nicole Hildenbrand-Football
