

PANTHER POST

Celebrating Success: Redford Union High School Football Scholarship Signing Day

Recently, five student-athletes on the Redford Union High School Varsity Football team took the next step in their education and athletic journey by participating in an official Signing Day event held on campus. On this special day, the five Panthers committed to play football at their respective colleges, including the University of Olivet, Central State University and Adrian College. This remarkable achievement not only marks a significant milestone in their lives but also exemplifies their dedication to academic excellence.

The signing ceremony was a celebration of hard work, determination, and the culmination of years of dedication both on and off the field. These student-athletes have not only excelled in their athletic endeavors but have also demonstrated exceptional commitment to their studies, embodying the true spirit of scholar-athletes.

Each of the five students has chosen a unique path to continue their football journey while pursuing higher education:

- DeMatthew Dixon, who has chosen to continue his football career at Central State University while pursuing a degree in Business and Marketing, setting an inspiring example for his peers.
- Parker Kennedy, who also will be joining the football program at Central State University while pursuing a degree in Athletic Training, showcasing his talent and determination on and off the field.
- Jakhari Lewis, who will be joining the esteemed football program at the University of Olivet while pursuing a degree in Business and Risk Management, embodying the values of hard work and perseverance instilled by our District.
- Mike Myles, who has also committed to the University of Olivet, where he will bring his exceptional skills and leadership to the field while pursuing a degree in Psychology.
- Elijah Triplett, who will be taking his football talents to Adrian College while pursuing a degree in Criminal Justice, demonstrating his commitment to both athletics and academics.

This achievement is a testament to the talent and dedication of these student-athletes and also reflects greatly on the outstanding athletics programs and coaches at Redford Union High School.
