

The Lap Counting App

EZ Scan™ – the fastest, most economical way to keep track of laps

2 amazing components to EZ Scan™

EZ Tally® – the data base

EZ Scan™ – the scanning app

With EZ Scan™ you get both EZ Tally® and EZ Scan™.

EZ Tally® may still be purchased by itself. You just enter the laps manually.

EZ Scan™ Set-up – It's EZ!

1. Enter student names in EZ Tally®
 - Simply copy and paste by class list (15 minutes)
 - Unlimited number of students
 - Hint: Enter a sample class to test before you take it live
2. Note the # of laps per mile
 - Everything is figured for you – even amazing stats
 - Only able to accommodate one setting for now
3. Print a barcode for each student
 - You have control of the barcodes through EZ Tally® – the data base
 - Print as many as you need – entire school, by class or individually
 - Print on white or light colored paper
 - Usually 8 per page
 - Laminate for durability
 - Hint: Try a couple before printing the entire school
4. Download the EZ Scan™ app on your tablet(s)
 - Simple - use the same EZ Tally® username and password
 - Unlimited number of tablets may be used

Using EZ Scan™ – That's even EZer!

1. Scan the barcodes
 - Wi-Fi is not needed to scan
 - Use multiple tablets at the same time
2. Sync the data
 - Press the SYNC button and it's done.
 - All reports are sent to EZ Tally®

***Now take it EZ and
enjoy the extra time!***

You can also

- Customize awards
- Print unlimited certificates
- Keep track of awards the EZ way
- Create teams
- Check instant, amazing stats
- Email results to teachers

EZ Scan™ may be used with

- Mileage Clubs® - during recess, before or after school
 - Girls on the Run
 - PE classes – a great substitute teacher
 - Brain or energy breaks for classroom teachers
-

Try it for FREE
