

FUTURE-FOCUSED

The District is proposing a reorganization and redesign of school buildings to better serve our students and community members, reduce operational costs, and allow more funding for programs.

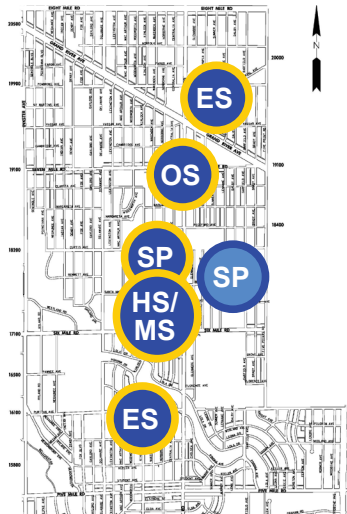

- *Develop a High School and Middle School campus:*
 - *Creates 6-8 and 9-12 separate environment*
 - *Allows grades 6-12 to use auditorium, STEM labs, athletic facilities, etc.*
- *Maintaining presence in the northern and southern ends of the district by:*
 - *Renovation of Hilbert to accommodate PK-5 programming*
 - *Renovation of Beech to accommodate PK-5 programming*
- *Re-purpose/closure of Stuckey, Beck, and/or Keeler Support Buildings*

Current Educational Building Locations (8 Buildings)

HS = High School
MS = Middle School
ES = Elementary School

Proposed Educational Building Locations (6 Buildings)

SP = Special Programming
OS = Old School House

TRADITION-RICH, FUTURE-FOCUSED

Why is the District proposing this bond?

Redford Union Schools is committed to providing students with the tools to succeed in a safe and challenging learning environment. The continual education and success of our students is our #1 priority. In alignment with our mission, we are asking community members to consider a \$59.2 million bond at a **ZERO TAX-RATE INCREASE** to the community.

- ✓ **Career Technical Education**
Enhancing early college educational and CTE spaces and opportunities for students throughout the District

- ✓ **Collaborative Learning**
Providing our students with collaborative spaces to learn, including STEM fields and upgrades to promote 21st century learning

- ✓ **Early Childhood**
Developing early childhood and child care center options throughout the District

- ✓ **Performing Arts**
Improving K-12 performing arts programs, including upgrades to auditorium seating, flooring replacements, and replacement of various audiovisual components

- ✓ **Athletics**
New football field and expansion of gymnasium spaces at Redford Union High School, track replacement at Hilbert Middle School, along with other field enhancements, locker room renovations, and gymnasium upgrades throughout the District
