Staff Highlight: Mrs. Jaramillo, 9th grade Success Coordinator

Redford Union Schools is fortunate to feature a team of highly qualified educators who are passionate about student growth. In this edition's staff highlight, we would like to celebrate Mrs. Jaramillo, Redford Union's 9th grade Success Coordinator at our Secondary Campus.

Mrs. Jaramillo works with our 9th grade Panthers to ensure that they are prepared for and successful in the transition from Junior High to High School not only academically, socially, and behavior-wise in school, but also in their home lives as well. From providing students with mentoring opportunities to creating vision boards to support their futures, Mrs. Jaramillo offers a helping hand and encouragement for all students.

Understanding that students benefit from having access to a variety of resources, Mrs. Jaramillo seeks to develop partners with community resources such as YMCA's Young Achievers program to provide her students with access to academic support for college preparation, career development, and mentorship.

Mrs. Jaramillo, we thank you for your hard work and dedication to not only your students, but to our entire District.
