GREEN TEAM

The purpose of the Green Team is to maintain the paper recycling efforts at the Ryan School by collecting and placing paper in the Paper Retriever during after school hours. Our goal is to continue to increase the recycling awareness and participation at the Ryan, which not only helps our environment, but also reduces

the bulk waste our school produces.

Paper Recycling is also an easy revenue source for the Ryan PAC, which earns \$\$\$ for every ton of paper recycled. This money is then spent on things that benefit the Ryan School students.

The after school activity is open to interested 5th or 6th grade students. The Green Team will need a total of committed members each session. First come first serve. The first session will be a total of 10 weeks beginning on THURSDAYS AFTER SCHOOL from 2:30-3:15 pm, starting 10/11/18 through 12/20/18 (excluding the week of 11/22/18). Interested??

Please complete the attached form and return to the office by Tuesday 10/2. Members will be contacted by Friday, 10/5/18.

NOTE: Parents are responsible for picking up their child at 3:15pm on Thursdays. If your child is currently enrolled in the Extended Day program they will be released to the Extended Day Site Director. Students may take the Late Bus by informing the office in advance.

RECYCLE THAT

Donate your unwanted books and clothing now in our purple and yellow bin at school! The bin will accept books, DVDs, used clothing in any condition, linens and clothing accessories. Good condition items are re-purposed and resold, lesser condition items are turned into industrial rags and filling material. Please no encyclopedias or college text books. Lets earn money for our school and keep these items out of landfills!

Recycle That Bins/ YELLOW and PURPLE bins –UPDATE Did you know that you can donate ripped, stained and worn out linens and clothing in our bins? Grab all of those socks with holes and put them in a bag and place them in the YELLOW AND PURPLE bins at school. The fabric is shredded and made into industrial rags, and our schools get the money!

PAPER RETRIEVER

The Ryan School has two Paper Retriever bins. Bring your newspapers, office paper and catalogs to be recycled. We receive money for this paper and the proceeds go directly to the Ryan School arts and enrichment programming. Please no phone books.

Paper Retriever/ YELLOW AND GREEN Bins-UPDATE These bins now accept FLATTENED CARDBOARD. Please do not put any paper in plastic bags. Save it in PAPER bags and bring to the YELLOW AND GREEN bins at school and our schools get the money!

If you shop on [Amazon.com](https://www.amazon.com), go to smile.amazon.com to designate the "John Ryan School PAC" as your school. Another great way to earn FREE money for our school and kids.

Register your Stop and Shop card and designate two schools of your choice- Dewing, North, Ryan- and every dollar you spend earns points for us to get money.
