

Aligning for Student Success: Integrated Guidance for Six ODE Programs

Annual Reporting 2023-24

11/12/24

Agenda

- Purpose of Presentation
- Background & Context
- Review of Progress & Investment
- What's Next - Application 2025-27

Purpose for Presentation

- 1) To provide background information/ context
- 2) To share information about our progress and focus related to the Integrated Guidance Plan
- 3) To provide additional information to prepare us for the 2025-27 Biennium Application process

Background

- Integration effort was responsive to requests from educational leaders and state legislators
- Combined processes for community engagement, needs assessment, planning, budgeting and evaluation for six programs
- Designed to reduce burden and redundancies and improve the framework by which progress can be measured over time

Six Programs & Common Goals

Summary of Program Purposes

- **High School Success (HSS)** - Systems to improve graduation rates and college/career readiness.
- **Student Investment Account (SIA)** - To meet students' mental health, behavioral needs and increase academic achievement/reduce disparities for student focal groups.
- **Continuous Improvement Planning (CIP)** - A process involving educator collaboration, data analysis, professional learning and reflection - toward improved outcomes for students and especially students experiencing disparity.

Summary of Program Purposes

- **Career and Technical Education - Perkins V (CTE)** - Improving access and participation in education and training programs that prepare learners for high-wage, high-skill, in-demand careers.
- **Early Indicator and Intervention System (EIIIS)** - The development of a data collection and analysis system, in which educators collaborate, to identify supports for students.
- **Every Day Matters - (EDM)** - Embedded across the five other programs, focusing attention on student engagement, school culture, climate/safety & culturally sustaining pedagogy.

Equity Lens

- What are we trying to achieve?
- Who is affected by the decision?
- Have those affected by the decision been engaged in the decision making process? If so, how, when, and where?
- How does/can this decision advance equity and inclusion?
- Are there district or building level systems, policies, and/or procedures influencing this decision that may negatively impact historically marginalized groups?
- Could the decision ignore or worsen existing disparities?
- How, when, and with whom can we measure the success of this decision?
- How can this decision be communicated (especially to those affected)?

Community Engagement Highlights

- Input activities
- Surveys
- Regional ESD Consortia group engagement sessions
- Engagement with Community-Based Organizations
- Affinity groups
- Family nights

Our Plan

These priorities were reaffirmed:

- 1) Meeting students' mental and behavioral health needs, and
- 2) Reducing disparities and increasing academic achievement.

Report Focus:

- Equity, Diversity, & Inclusion efforts
- Behavior & Mental Health
- High School
- Middle School
- Elementary
- Early Literacy

Equity & Inclusion

- Expansion of equity & inclusion staffing at the District level
- Teams / structures that empower educators to create conditions that better support focal group students
- Student programming specifically aimed at improving outcomes for focal group students

District Level Equity & Inclusion Staffing

Equity & Inclusion TOSA - supports educators in improving academic, behavioral, & social/emotional outcomes for students (2023-24)

- Provides professional learning for staff (200+ certified staff)
- Coordinates District-level student affinity events (250+ focal group students)
- Maintains resource bank of culturally relevant resources for educators

Student Success Navigator - directly supports focal group students & families (2024-25)

- Provides 1:1 & small group support for students (mentoring, tutoring, advocacy)
- Serves as bridge between students/families and school-based staff when needed
- Supports improved communication between schools and focal group families

13

Expanding adult capacity to improve systems & support focal group students

K-12 Equity & Inclusion Leadership Team

- Collaborate with building administrator on school-wide equity initiatives
- Bring equity lens to building level leadership meetings
- Support Student Voice at the building & District level
- Developed and facilitated professional learning on Every Student Belongs for **all** school-based staff (based on EEAC recommendation)

Facilitators of Student Union & Alliance Groups

- Hold regularly scheduled affinity spaces for focal group students
- Teach lessons on cultural identity, history, and leadership
- Support student engagement in conferences, trips, and in-district events

Student Focused Programming

Student Unions & Alliances (affinity groups)

- Provide support, connection, & affirmation to focal group students, reducing feelings of isolation that many children can feel even in the most welcoming schools
- Provide spaces for members to discuss issues & experiences with school leaders
- Encourage students to feel confident and proud about themselves, as well as more visible and more included in the school community.

Student affinity summits

- Connect focal group students to build community across the district
- Create spaces of deep engagement with cultural learning
- Provide opportunities for students to consider post secondary opportunities
- Strengthen connections between students & community partners

Student Focused Programming (cont.)

High School Student Voice

- Convene a diverse group of students to be in dialogue with one another & district leaders
- Foster student empowerment & activism, helping district leaders understand what students need & are asking for
- Increase student knowledge & understanding of district initiatives & priorities
- Center the experiences of students in decision making processes

This year:

- Students meet in school-level groups regularly, & will gather at the District-level 5 times
- Students review climate survey data (building & District)
- Students have identified 3 areas of priority:
 - Mental health supports / Student safety / Student engagement
 - Students working in priority areas teams to create goals and action plans
