20. Recognition of Students

ENVIRONMENT/SCHOOL CLIMATE:

1. Students -
 - Educate students on how to regulate stress and anxiety
 - Behaviors and punishment consistency, ALICE training
 - Blinds on the windows of the door
 - Parking on end caps of parking lot
 - School-wide involvement (Track goes to state, recognition for ALL sports and clubs)
 - Mental Health - prominent in schools and community
 - Trauma informed schools
 - Connect to community
 - All staff learn how to work with students (custodians, lunch staff, bus drives, etc.)
 - Beyond Consequences
 - Anxiety with technology - learn how to unplug
 - Safety with new drills - intruder, know your exits (situational awareness)
 - National statistics - so many other issues fall within mental health
 - Curriculum - how can we address within curriculum, example social consciousness through literature
 - Mindful of students in class
2. Student Behaviors - accountability and consistency
3. Respect & culture of respect
4. Bullying
5. Vaping
6. Pride
7. New students & parents
8. More activities at HS not just sports
9. Social Activities
10. Continue shadow student/grandparent day/etc.
11. Coaches and sponsors communication
12. Continue employability skills
13. Culture of respect
14. After school activities at elementary and MS

FACILITIES

1. Students
 - Keep the gyms no matter what to help with all the activities and practices
 - MS are for communities - remember it, but still moves on
 - Keep up with maintenance
 - Natural sunlight in the buildings - less fluorescent lights
 - Parking at schools
2. Keep community involved
3. What are we going to do with the MS
 - Positive community relations
 - Approach like bond issue with feedback
 - What have other communities done
4. Elementary buildings - long term planning
5. Increase safety
6. Stay current with technology
7. PreK-12 campus
8. Maintain continuous improvement
9. Update transportation buildings and bus barns

COMMUNICATION

1. Students
 - Instagram page for students
 - Keep Facebook for parents
 - Teacher communication to parents - newsletters
 - Coaches and parents, coaches and other coaches
 - Good news articles in newspaper
 - Superintendent videos - Q/A session where people can email questions in video or podcast
 - Parents should hear about issues before P/T conferences
2. Podcasts
3. Use communication to promote elementary
 - Promote campus concept to help promote elementary on campus
 - Learning opportunities
4. Consistency
5. Increase communication at MS and HS to home
6. Beyond conferences - how to reach multiple parents in less time, involve students
7. Conferences - grade feedback at HS (can see these on phones/computer), so maybe emphasis on specific student needs or more
8. HS conferences - show excitement to share with what they are doing, don't want the feel of "why are you here, your kids are getting A's"
9. Continue principal weekly memos, superintendent videos, Facebook
10. New ways to communicate - table tents, placemats, SRR information, old school
11. Google Classroom - emails to parents, teacher at HS emails out
12. Board members and people in our community in schools
13. Communication from our students!

It was announced that the next SIAC meeting would be on Wednesday, January 29, 2020. There being no further business, the meeting adjourned at 8:00 pm.
