

Parent/Guardian Middle School Choice Guide

Hello 5th Grade Sterling School Program Parents/Guardians! As your child prepares to transition to middle school, we want to ensure you feel equipped and informed to make the best decision for their future. Greenville County offers several options, including Choice Schools, magnet programs, and your home-based assigned middle school. We encourage you to explore these opportunities and participate in the Choice School selection process, which begins **November 21, 2024**, and runs through **December 6, 2024**. Please find information below to get you started. For full details, visit www.greenville.k12.sc.us.

School Choice

Greenville County Schools is a "choice" district, offering quality schools at all levels across the school system. Approximately 14% of the school system's 78,000 students attend school on choice.

Students are assigned to a school (home-based) based on the address where their custodial parent/guardian resides. School assignments are listed by subdivision/multi-family dwelling and home address using the "Find Your Schools" link below. Parents may request that their children attend another school through **Change in Assignment Choice (CIA)** and/or applying to the school system's Magnet Academies.

About Magnet Academies:

The district's eleven magnet academies of accelerated learning offer unique educational choices to the students of Greenville County to meet their individual needs. The academic program of each magnet academy offers a theme or focus that is designed to give students an opportunity to explore a special interest, gift, talent or skill. **Please be sure to confirm your transportation options.**

Magnet Applications:

The GCS Magnet Academy application window for the 2025-2026 school year will open on **Thursday, November 21, 2024**. Magnet applications will be available in "Parent Backpack." For more information, visit the GCS Magnet Page or scan the QR code to the right for a direct link.

Magnet Open House Events:

Each magnet academy will conduct an open house event to explain the magnet application process and discuss the unique characteristics of its magnet program. The events will begin promptly at the start time listed below. Please see the schedule below for more information. **Please be aware of transportation options.**
