- Counseling sessions are not restricted to job-related issues; counseling assistance may be sought for many reasons.
- Counselors are independent, private therapists contracted through SRC. The independent status of the EAP counselors assures a high degree of objectivity in the counseling process.
- Confidentiality-No information regarding any client, not even confirmation of attendance at sessions, is provided to your employer or to individuals within the company without a signed, designated release of information.
- Generic utilization reports to your employer maintain confidentiality and do not contain personal identifying information.
- www.sr-connection.com has, available to you, an EAP counselor locator; ask a counselor a question, *Healthy Exchange* (online newsletter) and *Helpguide*, an online mental health and healthy lifestyle resource. **To access the SRC Counselor List, simply go to the website, then Member Services, select SRC Counselor List and enter**
