

FREE SAT/ACT COMBO PRACTICE TEST!

In a few months, those of you intending to take a college entrance exam will have a decision to make about what test – the SAT or ACT – is right for you. Both tests are weighted equally in the college admission process. Based on your strengths, one of these tests may be the better one for you to take. You can always take both tests and see which one you do better on, but it would be very beneficial for you to know what test to prepare for ahead of time.

On **Saturday, November 15th** there will be a free SAT/ACT Combo Practice Test held by Kaplan Test Prep to help students decide between the SAT or ACT. The practice test will be held at multiple locations in Massachusetts. Tests will be held at the following locations (@ **9:00am**):

Stonehill College
320 Washington St.
North Easton

UMass Boston
100 Morrissey Blvd.
Boston

UMass Dartmouth
285 Old Westport Rd.
