Questions?

Whenever you have a question, please call your student's school. While Schodack CSD utilizes many communication tools, a phone call or a meeting with a teacher or principal is often the best way to resolve questions about your child's education. Commonly requested phone extensions are available in this calendar and online at www.schodack.k12.ny.us.

School District Website

Community members are encouraged to visit www.schodack.k12.ny.us for the most up-to-date information about the school district. The website is updated regularly and includes resources such as an online calendar, emergency announcements and stories about what students are learning.

Text and Email Alerts

Schodack CSD uses text messages and email alerts as its primary methods of communication with school families. These are used to communicate school delays/closings, reminders about upcoming events and other important information.

Text alerts are optional but encouraged. To opt in for them, text the letter "Y" to Schodack's SchoolMessenger short code number: 67587. You should receive a confirmation message back confirming you have opted in. **Your cell phone number must be registered with the school as a primary contact number** for you to opt into and receive district text alerts. If you are unsure of this, please check we have your correct contact information on file by calling your school's main office.

Automated Phone Calls

Schodack CSD only uses the automated phone system to call families in the event of a time-sensitive emergency, such as an unscheduled early dismissal due to severe weather or other circumstances. Otherwise, email and text alerts are the primary ways that families will receive direct messages from the district. To receive automated phone calls, please ensure we have your correct contact information on file by calling your school's main office.

Facebook

Enjoy stories and photos of the great things going on at Schodack CSD schools on our Facebook page, www.facebook.com/SchodackCSD. The social media site also provides reminders about upcoming events and emergency announcements.

Parent Portal and Canvas

The district's *Parent Portal* offers parents a secure, online way to access interim/progress reports, report cards, attendance and other student information.

Canvas is a platform where Schodack grade 4-12 students and parents/guardians can check student grades, communicate with teachers, find class materials, keep track of assignments, find links for class meetings and more. Parents/guardians and students can access all this information from their smartphones using the *Canvas* app. For more information on *Canvas*, visit www.schodack.k12.ny.us/district/canvas/

A Vision for the Schodack Central Schools

The Schodack Central School District offers a small nurturing setting that will expand the educational, cultural, and social opportunities for our children and adult citizens through the use of thought-provoking experiences, high-quality resources, and technology. The community will be engaged in the life of the schools and, in return, the schools will serve the community through the use of their facilities and resources. The quality of life will be enriched through access to adult education, college and job related educational opportunities, as well as social opportunities and supports. The whole community will proudly celebrate academic, cultural, competitive and social successes that stem from our schools. The resulting high quality of life will attract citizens who enjoy sharing their talents with neighbors and the school.

Students of Schodack Central will graduate with strong academic competencies from a challenging curriculum, and will have opportunities to earn credits from our educational partners. They will have learned to value societal and global diversity, communicate effectively, collaborate by working in teams, and demonstrate self reliance and self responsibility. They will develop lifelong learning skills grounded in their curiosity, creativity, and problem solving skills. Their citizenship skills will be enhanced through community and peer to peer service, and a commitment to civility. They will be prepared socially and ready to make healthy productive choices. Their exposure to technology and knowledge of how to use it will also prepare them for an ever-evolving future.

Schodack Central School District students will be nurtured and taught by passionate and caring teachers, staff, administrators, and board members all of whom serve as good role models, in a district that is exemplary, innovative, community involved, and a valued asset to our entire greater community.

MISSION STATEMENT

To develop our students to become active, reflective, creative learners. In our schools, they will engage in rewarding work and practice behaviors that are intelligent in both an academic and a practical sense. Students will develop the attitudes, skills and understandings that will allow them to fulfill their potential and to function successfully in their individual and social roles.

BOARD OF EDUCATION

The Board of Education consists of nine community members elected to serve three-year terms of office without pay. The Board acts as a collective body to establish the policies under which the Schodack Central School District operates. The Superintendent of Schools is responsible for administering the school program within the context of these policies.

The Board typically holds meetings on the third Thursday of most months at 6 p.m. in the District Office Board Room. Please see this calendar or visit www.schodack.k12.ny.us for a list of meeting dates and locations. Board agendas and meeting minutes are also available online or by calling the district office at (518) 732-2297.

If you have a question for the Board of Education, please attend a meeting, call District Clerk Michele Reickert at (518) 732-2297 option 1, or email boardofeducation@schodack.k12.ny.us (your email will be sent to all Board members).

Dignity for All Students Act

All students have a right to attend school in a safe, welcoming and caring environment. To help ensure all schools support a school climate where students can learn and focus, New York State passed the Dignity for All Students Act in 2012 which created procedures to ensure every school environment is free of discrimination and harassment. This includes school property such as playgrounds, athletic fields, school buses and school-sponsored events.

Schodack CSD fully supports the Dignity for All Students Act. The Board of Education has adopted a policy to help prevent student harassment and bullying. That policy along with additional information is available at www.schodack.k12.ny.us/district/report-bullying/.

If parents have any concerns about harassment or bullying, please report them immediately to your student's principal so we can investigate the concern.

School Closing Announcements

If the district needs to close before the start of the school day because of an emergency or weather, announcements will be made using text/email alerts, the district website, district social media and on local television & radio stations.

If the district needs to close school early during the school day, an automated phone call will also be made to all designated student emergency contacts. Please ensure your Emergency Contact Information is up to date with your school's main office so you can receive these communications.

Safety Drills

To help ensure the safety of our students, faculty and staff, all Schodack schools practice safety drills throughout the school year with the assistance of police and emergency responders. As of the 2024-2025 School Year, the New York State Education Department now requires districts to notify school families within one week before a safety drill occurs. If you have a question about safety drills, please contact your student's principal.

Free Breakfast & Lunch for All Students

As of December 1, 2023, all students enrolled in Schodack Central School District are eligible to receive free breakfast and lunch every school day. This is a result of the United States Department of Agriculture (USDA) expanding access to the federal Community Eligibility Provision (CEP). See more details about this on the district website at www.schodack.k12.ny.us/district/food-services/.
