Instructions

Category Description

A series of 8 distinct works that communicate a single cohesive idea or visual investigation. The works can come from one category (media) or any combination of multiple categories.

In addition to the artwork, students may submit an word Artist Statement (at least 50 words) answering the following questions:

What idea or visual investigation does your portfolio explore?

Why is this exploration important to you?

What do you hope (stays with people/changes within people/people see differently) after they view your portfolio?

Work included in a portfolio may also be submitted in an individual category (i.e. Drawing and Illustration, Mixed Media, etc.). You will be able to indicate if you want to submit a work a part of a portfolio only, an individual submission only, or both on your student dashboard.

Seniors may resubmit artworks submitted to the Scholastic Awards in a previous year as part of their Art Portfolio.

Do not include any identifying information, such as your name, in the title of your portfolio or the works included in the submission.
