MEDICAL MARIJUANA IN SCHOOLS D R A F T – March 2016 for School Board on 3/9/16

The Board recognizes that there may be some students in the Brunswick schools who rely on the use of medical marijuana to manage or treat a medical condition and who may be unable to effectively function at school without it.

Maine law provides that a "primary caregiver" (defined as parent, guardian, or legal custodian who is at least 21 years of age under Maine's medical marijuana law, 22 MRSA § 2423-A (E) may possess and administer marijuana in a nonsmokeable form in a school bus or on the grounds of the preschool or primary or secondary school in which a minor qualifying patient is enrolled, if: a) a medical provider has provided the minor qualifying patient with a current written certification for the medical use of, and b) possession of medical marijuana is for the purpose of administering it to the minor qualifying patient.

In order to facilitate administration of medical marijuana with a minimum interruption of instructional time for the student and with a minimum of disruption of routine school operations, the Board approves the following guidelines for the administration of medical marijuana.

- A. The person administering the medical marijuana must provide proof that
 - 1. He/she is the primary caregiver (defined above) for the student:
 - 2. The caregiver provides the school with a copy of the student's current written certification from a medical provider for the use of medical marijuana during school hours and/or during school-based activities.
 - 3. The student needs to have the drug administered during the school day, as opposed to before or after school.
- B. The marijuana must be in a nonsmokeable form.
- C. Medical marijuana may only be possessed by the primary caregiver and only for the purpose of administering it to the student at school. It cannot be given to or held by any school employee, student, or other person in school, with the exception of the "qualifying patient".

MEDICAL MARIJUANA IN SCHOOLS (DRAFT)

- D. Only the primary caregiver may administer medical marijuana it cannot be done by, or delegated to, a school employee or any other person than the primary caregiver.
- E. Medical marijuana must be administered at a designated place and time coordinated with the school principal or the principal's designee.
- F. The student may not possess medical marijuana at any time or place except during the time of its consumption, at the designated location, and under the supervision of the caregiver.

A student who holds written certification for the medical use of marijuana may not be excluded (suspended or expelled) from school because he/she requires medical marijuana to attend school.

A NOTE ABOUT CONFIDENTIALITY

Confidentiality is one of the most important aspects of being a volunteer with the Brunswick School Department. Protecting the privacy of all students and their families is the law as protected under the Family Educational Rights and Privacy Act (FERPA). Please read through the entirety of Brunswick School Department's FERPA guidelines, included in pages 5-6, and indicate you have done so with a signature and witness signature. For more in depth information on this law, visit Maine DOE's website: http://www.maine.gov/doe/specialed/support/policies/faq/ferpa.html

Remaining confidential is essential and no information about students may be shared with others outside of the school. Should you observe anything that raises concern, please go directly to your school's principal.

FREQUENTLY ASKED QUESTIONS

Who Volunteers? Anyone can volunteer who is passionate and eager to make a difference in children's lives! Volunteers are an essential part of making Brunswick schools successful. Volunteers may be parents, family members, college students, retired individuals, or simply a community member. Wherever you're coming from, come share your knowledge!

Are There Any Requirements Needed to Become a Volunteer? This depends on the level of volunteering you will be doing. You may be serving as a one-time volunteer or a regular basis volunteer (see page 4 for details surrounding these types of volunteering). If you will be serving as a regular basis volunteer you will be asked to have a Criminal History Check.

How Do I Volunteer? Refer to the points of contact table on page 2 for who to get in touch with or for more information on volunteer needs. You may also contact Brunswick School Department's volunteer coordinator in Central Office at 46 Federal Street or 319-1900 ext. 1004.

Who Will Be Supervising My Volunteer Experience? Guidance may come from the staff member who you will be serving alongside- this may be a teacher, district staff member, or in some cases, the principal.

What Can be Expected of me as a Volunteer? This depends on what capacity you will be volunteering in! However, there are some foundational guidelines that will be asked of all volunteers. These include:

- All volunteers will be asked to maintain a kind disposition around students.
- Limit personal use of technological devices, including cell phones, laptops, etc. Unless using said resources for classroom purposes as supervised by a staff member. Additionally, recording or photographing of students is never allowed.
- Please understand that you will be an example for students. With that in mind behavior, language, and appearance must be appropriate throughout your entire visit.
- Your unique perspectives will be valued in the classroom, but be sure to keep your contributions in line with your teachers'/ supervisors' lessons and goals. We hope you always feel comfortable checking in with them if you are unsure about your job or directions!

What Should Volunteers Expect of Students? All students within Brunswick Schools should show respect and kindness. If ever you witness discouraging, disrespectful, or unsafe behavior, please report it to your supervising staff member right away.

That being said...

Should a Volunteer Ever Discipline a Student? Beyond seeking cooperation from students, disciplining is solely up to your supervising staff member. Help should always be close by!

If any questions have gone unanswered, please do not hesitate to contact your school of interest for guidance. Your needs as a valued volunteer are very important to us!

Types of Volunteering

One Time Volunteer

Anyone who is serving as a volunteer on a limited basis or under the direct supervision of a district staff member as a one-time presenter, visiting guest, library assistant, or one-time aide would qualify as a one-time volunteer.
