

Licking Valley Elementary School

School Counseling Classroom Curriculum

The Licking Valley Elementary School counselor collaborates with teachers and staff to offer students a comprehensive curriculum designed to support students' social, emotional and behavioral growth and encourage academic and career skill development. This document identifies the classroom presentation topics at each grade level which are designed to progress the concepts developmentally. The overarching theme is, Getting Along. Topics are adjusted as necessary each year in an effort to meet the needs of our student population.
