

A Note
from
our Principal...

It is with enthusiastic joy that I have the opportunity to serve as principal of Johnakin Middle School. As your principal, I am dedicated in providing a safe structured environment that maximizes and accentuates the unique ability of every student. A major component in our success is maintaining communication with parents and stakeholders, as communication fosters partnerships which allows educators to guide and mentor students. Learning and motivating one another allows both educators and students to become diverse individuals contributing to this ever-changing world in which we live.
