| 3:15 - 3:20pm | <b>Attendance:</b> Dr. Michael Harvey, Michelle VanGaasbeck, Kelly Pipkins, Johnney Terrell, Kim Dion, Michele Monroe, Lisa Gooden, Marianne DiRupo, Paul Swartz, Carol Berton, Carrie Mabry, Isa Ocejo, Melanie Goodson, Susan Shure, Amelia Stine                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |  |
| 3:15-3:30 pm  | ROTC Presentation- <ul style="list-style-type: none"><li>• Would like to wear a stole at graduation with their rank and medals</li><li>• Definition of 'stole': a recognition of membership in a club or organization.</li><li>• Approved based on the line of reasoning of the work and achievement ROTC does like that of the Boys Scout Eagle Scout recognition.</li></ul>                                                                                                                                                                                                                                                                                                                                                                                                                                  |  |
| 3:30 - 3:45pm | 2023-2024 SIP Goals: <ol style="list-style-type: none"><li>1. Discipline: office referrals are reduced 531 processed; OSS most common consequence; 2nd most ISS-a spike in referrals in late October, lower numbers in Nov/Dec/Jan; Feb similar to Sept #s; 9th graders lead 213; sophomores 161; juniors 108; seniors 74-most common offense is skipping class; SS leads with the most referrals/CTE/ELA-351 minor incidents</li><li>2. Proficiency: our school performance last year versus this year is flat at this point; need to focus on maintaining 92% graduation rate</li><li>3. Attendance: number of chronically absent students has decreased from 28% to 24%; chronically absent students are out more than 20 days in a school year; we are #5 in UCPS of chronically absent students</li></ol> |  |
| 3:45 - 3:55pm | Scheduling <ul style="list-style-type: none"><li>• 22 Credit Diploma: students are allowed to declare they want a 22 credit diploma instead of a 28 credit diploma; students will have to double up to graduate in 3 years instead of 4 years.</li><li>• Students can come to 9th grade with 5 credits with only needing</li></ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |  |

|                      |                                                                                                                                                                                                                                                                                                                                                                                                                         |  |
