*Learn Together - Live Together - Lead Together*

## A Word from Weiler

What a great time of the year! It is exciting to see the joy in the faces of our students during the holiday season. Due to the busy nature of the season, sometimes schedules and added responsibilities can cause stress. Concerts, parties, family visits and so many other events seem to be packed into a limited amount of time. Scheduling becomes an issue, and we always seem to be looking for ways to complete our to-do list. Our upcoming 5th grade performance offers the opportunity to slow down and enjoy a little holiday cheer. Students and staff have been working hard to showcase these special talents.

As the holiday season approaches, please give your child the gift of extra time. Put an I.O.U. for a special event or activity in his/her stocking. When students are asked to write about a memorable event in their lives, it isn't a special gift they usually choose to write about, but a particular experience they have had with someone special.

During this season of the year, we would like to say thanks to:

- Parents and guardians who diligently check their child's homework, who are seated beside them as they complete their homework; and spend quality time with their child
- Community members and parents who organize fund raisers and bring food to classes and the staff lounge on special days

## **MAKE EVERY DAY COUNT**

We want to stress the importance of attendance starting at an early age and continuing through high school. We hope to make you aware of a few key messages:

- Attendance matters for doing well in school and life starting in kindergarten
- Absences add up quickly
- Poor attendance is not just about unexcused absences- excused absences can affect performance too
- As a parent you are responsible for making sure your child develops the habit of regular attendance
- If you are facing tough challenges related to health care access, unstable housing, poor transportation or lack of food, you can and should seek out support from our school social worker

## **5TH GRADE MUSIC PROGRAM SOS**

Prairie Rose is in search of props for the 5th Grade Music Program

- clean oven mitts
- mixing utensils
- holiday aprons

If you have any of these items, please either drop off in the office or have your child(ren) deliver to the office. Remember to label with your name if you would like the items returned to you!

As part of Red Ribbon Week, Officer Peters from the Dickinson Police Department spoke to students about using the crosswalk to cross the street, having a trusted adult with at all times and never taking medicine from someone untrustworthy. Students also enjoyed learning about the K-9 unit and Officer Peters' bullet proof vest!

## **HIGH RELIABILITY SCHOOLS – HRS**

"I think LIM will help me when I am older because it will guide me to make a plan and organize my life goals." shared Lola.

"I think LIM is important when I am older as it will help me grow in being responsible in school and at home." shared Holden.
