

Science Olympiad's purpose is to allow for students of all grades to expand their knowledge in specific areas sciences that are not taught within the school's academic curriculum and then use that knowledge to compete in the regional and state science olympiad competition.

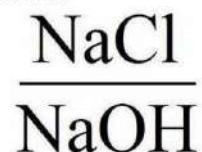

Gone to STATES for the past 3 YEARS!

Contact Alexander Lin (linalexander2010@gmail.com) or
Frederick Berl (berl.frederick@gmail.com) to join!

We meet Wednesdays in the Science Center! See you there!

Red alert! Red alert!

The base is under a salt!
