

# Welcome to Survivor Island

# Tribes

Each class will be split into several tribes of 3 to 4 students.

Tribes will work together during the immunity and reward challenges to earn points or rewards.

Inappropriate behavior or disruptive behavior will result in a loss of points or the elimination of the tribe from the competition.

Tribes will be assigned animals and will create their own name. (Names must be appropriate!)

**Let's get started ...**

Pick your tribe and your team color by sitting at the correct island. Create a tribe name, create your team flag, and add your names to the table sign.

# Immunity Challenges

Immunity challenges will relate to topics we have studied this year.

Teams or individuals will earn points based on the number of correct answers they have on each challenge.

Each sticker on your flag is worth extra credit to make you 'immune' to missed points on your grade.

Teams can lose points for bad behavior!

# Reward Challenges

Challenges will relate to a wide range of topics.

Teams will earn rewards for their efforts, such as stickers, candy, treasure chest items, and more!

The team or person with the highest score will earn the reward!!

Please erase each page before handing it back

Keep ALL PAGES face down until I say 'Go!'

# Survivor Rules

Good sportsmanship is expected at all times.

The teacher's decision is final!

Play fair! Cheating and dishonest behavior will result in a loss of points or possible elimination from the game.

You may use your notebook – anything that falls out is NOT a resource. Shake it!

## Survivor Prize Package

The top scoring team from each class will win a team award and be entered into a drawing for a super duper Survivor Prize Package!

Are you ready for the challenge?
