

Science Teacher for Academic Support Program

The Ursuline School is an independent, all-girl Catholic college preparatory school located in New Rochelle, NY. We are seeking an experienced teacher with a passion for teaching a variety of sciences in an academic support program setting for the 2018-2019 school year, starting immediately.

Prospective applicants must demonstrate the ability to provide both content based and conceptual science support. Applicants also must be comfortable collaboratively planning

Position: 20-25 hours per week

Courses: Biological and Physical Sciences, various levels

Responsibilities:

- Teach small group science classes for grades 6-12 in a variety of science topics through differentiated pedagogies
- Read and understand student documentation regarding learning and attentional differences
- Administer science tests with extended time
- Collaborate with Science Department teachers
- Collaborate with academic support teachers

Experience/Qualifications:

- A Master's degree in biological or physical sciences or science education AND, ideally, special education
- Prior middle or high school teaching experience in Biology, Chemistry and/or Physics
- Excellent written and oral communication skills
- Teacher certification preferred
