WHAT STUDENTS SAY

"Before I took the OSHA training, I did not know the rules and safety precautions that employers are required to have. Now I know what to look for when applying for a job and I can stay safe on a worksite or workplace."

OLIVIA, MARQUETTE
SENIOR HIGH SCHOOL

"Not only can I identify if things are not OSHA standard, but I also know how to properly react. OSHA has taught me how to take a dangerous situation and make it safe again."

CLARE, JAY COUNTY
HIGH SCHOOL

"The 10-Hour OSHA safety card has done nothing but positive change in my life. It completely changed how I look at all hazards when at school, work, and everyday life."
