## Research Paper Famous Sculptors

There are thousands of famous artists out there currently making amazing and influential work. This research project is to have the class Include a brief Bio, description of famous works. Describe the process/medium the artist uses to create his/her work, conceptual ideas or meaning behind the work and where the work is exhibited. Is the artist still alive? What inspires his/her work? Include 10 images of their artwork.

- 1. Create a powerpoint or google slides presentation including:**
- 2. paragraph biography about the artist**
- 3. statement about the artists style and general artist statement**
- 4. 10 high quality images of works with names, medium and description of the works.**
- 5. Your final thoughts on the artist**

**Bonus- create a small sculpture in the style of the artist**

Research beyond Wikipedia, Some great websites are where the artists are represented, Museums, galleries and major exhibitions.  
Gugenheim.org has many of these artists info and images.  
PBS.Org has videos on a lot of artists and bios.
