Ohio Law requires all school-age children to attend school. The Principal will handle excessive days of absenteeism on an individual basis. All students are expected to be in all classes and study halls. Attendance is the responsibility of the student and parents/guardians. The school's responsibility is to provide instruction.

Frequent absences of students from the learning experiences during the year disrupt the continuity of the instructional process. The benefit of regular classroom instruction is lost and cannot be entirely regained, even by make-up work. In accordance with this philosophy, all students are required to be in regular attendance except when excused. Good class attendance is essential for the student to receive full benefit of the educational program. Good attendance at school will lead to good attendance at work in future years.

## ATTENDANCE PROCEDURES

- The Ohio Revised Code requires parents/guardians to contact the school to report the absence of their child. Parents/Guardians are required to notify the school as to why their child is absent.
- Fort Loramie School would prefer that a parent/guardian use the "Absence" form for all student absences. These forms are always available on the school website and in the office.
- Students should turn all absences notes into the school office prior to the start of each school day.
- If a parent/guardian fails to notify the school, the school will attempt to contact a parent/guardian by telephone. A note must be sent to school upon the return of the student to school stating the reason of the absence(s). If a note is not received by the 2nd day of the students' return, the absence(s) will be unexcused.
- A student who becomes ill at school should report first to the classroom teacher and then to the school office. If the student needs to go home or needs medical attention, a parent/guardian will be notified using the office phones. Students cannot leave school without parental permission.
- All students must report to the office when coming into school or leaving school.
- All students visiting a doctor **MUST** bring in a notice from the doctor's office accompanied by a signature of the parent/guardian.
- Students who reach the age of 18 will need to have written permission from their parents to write their own absence notes.
- Once a student has 4 absences in a nine weeks, or 8 in a semester, parents will be required to send a doctor's excuse to school for each absence. Doctor's notes should be received by the office upon the students return to school. If the doctor's notes become excessive, other measures will be taken.

## EXCUSED ABSENCES

When a student returns to school from an absence, he/she must report to the office with a written excuse signed by a parent/guardian. Teachers will work with a student to determine when class work is to be made up after an absence. The general rule in making up class work is that it should be made up within the number of days absent plus one. Personal reasons for absences will be excused with parent permission for attendance at church, doctor/dentist appointments, or driver license exam. Vacations with parent/guardian will be excused with prior approval for up to five (5) days. The following are also examples of EXCUSED ABSENCES:

- Personal Illness
- Quarantine of the home

## UNEXCUSED ABSENCES

A student may receive an unexcused absence, when, without parental approval, knowledge, or permission he/she is absent for an unauthorized reason or proper procedures are not followed, such as, no note. A skipped class(s) will be identified as an unexcused absence. A student skipping class(s) will receive at the minimum, a Saturday school, and the student could also be subject to further disciplinary action. The following are some examples of UNEXCUSED ABSENCES:

Three days is the maximum time allowed to complete any missed work. **Students who have unexcused absences due to skipping school or classes, will receive a 0/F for all work which was assigned during those times**

## LATE ARRIVAL/MID-DAY RELEASE/EARLY RELEASE

Fort Loramie School understands that some appointments must be made during the school day. If a student is gone for 1.5 hours or less at any point during the school day and has a note from a parent/guardian AND doctor/dentist note or other supporting document, the student will not be counted as tardy. All notes should be turned in to the office prior to the start of the school day. Students arriving after the start of school due to an excused appointment should present a note upon their arrival to school.

## PERFECT ATTENDANCE
