Pemberton Township High School Seniors,

I am pleased to inform you that the Pemberton Township Schools will participate in the New Jersey Department of Education's Seal of Biliteracy Program, which recognizes high school students who have attained a level of proficiency in English and in another language. In an increasingly globalized world, the demand for bilingual and multilingual citizens continues to rise at an unprecedented rate. Therefore, the Seal of Biliteracy is a credential that affords students an array of opportunities that extend well beyond high school.

Students may earn the New Jersey Seal of Biliteracy by:

1. Demonstrating the targeted proficiency level of "Intermediate-Mid" in a language other than English and;
2. Receiving a score of "Proficient" or better on the New Jersey Department of Education English Language Arts assessment or its alternatives (in English) or,
3. Receiving a score of 4 or better on Tier B or C of the ACCESS for ELLs 2.0 in all four language domains (in Junior year of high school).

Students interested in pursuing this opportunity must complete the required [Seal of Biliteracy Link](#) by **October 31, 2021**. In December 2021/January 2022, twelfth grade students who have completed the form will participate in proficiency testing (i.e. Avant STAMP 4S Assessment). Additionally, students who received a 4 or higher on an Advanced Placement language and culture exam as a Junior in May 2021 may utilize this assessment score to demonstrate the required proficiency without further language testing.
