For a smooth transition from first to second grade, there are a few skills you might reinforce over the summer:

- ✓ READ, READ, READ!!!! After your child has read aloud to you, ask him/her to retell or summarize what they just read.
- ✓ You should encourage your child to write in a journal. This reinforces writing skills and also keeps a record of interesting and exciting activities over the summer.
- ✓ Study the addition and subtraction facts for "quick recall."

MOST IMPORTANT OF ALL, RELAX AND HAVE FUN!
