**From Mrs. Bently:** "The first edition of the Panther Press published in the Oct. 4 NRHEG Star Eagle. Students contributed articles and photography covering the first few weeks of school and homecoming.

The Drama Club has been having a successful season with as many as 25 students attending our twice-weekly gatherings. We take part in improvisation and team-building activities, learn about

theater technique, and enjoy the creative talents that everyone comes to share. On Friday, Oct. 5, 32 students attended "Scare School" offered by Valleyfair. At this event, students learn more about make-up techniques, set design, maintaining character, and professional opportunities.

The 68 members of the senior class have chosen their class colors: black, white, and silver; their class flower: white ranunculus; and their class motto:

*Dale N. Carlson, Superintendent*

*David A. Bunn, High School Principal*

*Douglas A. Anderson, Elementary Principal*

"Special times, special place, special friends together: the moments pass so quickly but the memories last forever.

Deb Bently was part of a state-wide committee which met on Oct. 9 and 10 to review the test questions which will be used on the Minnesota teacher preparation exam, the one educators must take in order to become a licensed teacher of English Language Arts in Minnesota."

**From Mrs. Fredrickson:** "Congratulations to Aubrey Johnson (vocalist) and the Jazz Band for providing music selections at the homecoming coronation!"

**From Mrs. Moravec:** "State is training people this year for an assistive technology team and I get to represent us (NRHEG) on that team."

**From Mr. Otstot:** "The marching band took first place at the Waseca Marching Classic this year to finish off a great season!"

**From Mr. Stoesz:** "To date, the seniors have completed a total of 62 college applications (that I'm aware of) and many of them have already received their acceptance letters. An exciting time for many of our seniors as they make their future plans!"

**From Mrs. O'Donnell:** "Well the students have been working hard in our tech and video class... here is the link to our first Panther News! It was labeled as September and should have been October, yet I think they did an amazing job!"

The weather is for last weekend so we wanted to at least get this out to you two even if the rest of the student body can't see it tonight...these are truly some amazingly gifted students.

Have a great weekend!
