Behavior Expectations: While we are all supportive of the excitement of the senior class regarding graduation, we need to be very clear in our expectations of everyone's behavior during these final weeks of school. Seniors, you have been told during your time at Seaholm to *Think with Reflection, Act with Compassion, and Perform with Honor*. This motto is extremely important to uphold in the coming days. Preparing to graduate is no excuse for any senior to misbehave. Pranks, vandalism, and other misbehavior will not be tolerated. Students are not to trespass on the Seaholm campus (school building, athletic fields, etc.) after hours without permission. Students who vandalize school property, interrupt the school day/student learning in any way, or trespass on school grounds will be disciplined and will risk being excluded from senior activities such as clap out or commencement. In addition to school consequences, violators may be prosecuted to the fullest extent of the law for serious misconduct. Additionally, please know that our custodians work hard to maintain a clean school environment. We value our custodians and the Seaholm facilities and we hope that you, as seniors, will treat the school, staff, underclassmen, and each other with the utmost respect over the next few weeks.

We know that each of you has been working towards the goal of graduating and participating in all of the fun senior activities that are meant to celebrate your accomplishments. We look forward to seeing you at all of the senior activities! GO MAPLES!
