

SENIOR RECOGNITION NIGHT LINN-MAR HIGH SCHOOL

Class of 2020

Linn-Mar Schools Foundation Scholarships

LINN-MAR SCHOOLS FOUNDATION MELISSA ANN BRENDES MEMORIAL SCHOLARSHIP

\$1,000 Award

Melissa was a graduate of Linn-Mar High School's class of 2005. She was a member of the award-winning Linn-Mar Poms, loved to dance, and held a special place in her heart for children of all ages. She was a student at the University of Iowa with a major in English and Communications Studies, with a minor in dance.

Working with young dancers to help them achieve their potential was a special joy in Melissa's life. Sadly, Melissa's short life ended tragically on October 18, 2007. In her memory, her parents have established a scholarship to recognize a Linn-Mar senior that shows the same passion for dance and children that Melissa had.

LINN-MAR SCHOOLS FOUNDATION JOHN AND MARIE ABOUASSALY SCHOLARSHIP

\$1,000 Award

John and Marie AbouAssaly were born in the village of Aita Al-Fakhar, Lebanon. In 1975, motivated by a strong desire to provide their children with quality education and better opportunities to achieve their full potential, they immigrated to the United States and settled near relatives in Marion, Iowa. With little else but their faith in God and a belief in the promise of America, John and Marie worked very hard to support their family, teaching them the value of hard work and the importance of education. All five children graduated from Linn-Mar High School; Gwen in 1980, George in 1983, Nicolas in 1985, Michael in 1987 and Carol in 1992.

John and Marie lived their lives in modesty and humility and as exemplary role models of kindness and service to others. They understood that success in life is not solely defined by an individual's professional achievements, but also by commitment to service and helping others in their community. The successful candidate will embody the courage of John and Marie AbouAssaly and their commitment to education and community service.

LINN-MAR SCHOOLS FOUNDATION RYAN DRISCOLL MEMORIAL SCHOLARSHIP

\$1.000 Award

Many of us have had a special person in our lives who seems to be bigger than life itself. They effortlessly make everyone feel at home, discomfort disappears when they are around. They create opportunities for others that would not have occurred otherwise. Ryan Driscoll embodied these ideals and demonstrated them every day. Ryan was a three-sport athlete at Linn-Mar from 1988-1992, before attending The University of Iowa where he played quarterback.

Even as the quarterback at the University of Iowa, he made time for everyone that came into his orbit. It wasn't the fact that he was a great athlete, it was the fact that he celebrated and embraced everyone for who they were. It is important to celebrate those who bring us together to experience and appreciate the best in everyone. We wish to honor Ryan's spirit by recognizing those individuals that embrace everyone around them for who they are and incorporate these values in their daily lives.
