

# Final Senior Presentation

Class of 2021

# Congratulations!

## Two final important pieces of information

### Senior Survey

- All students must complete a Senior Survey through Naviance.
- Information will help us compile accurate statistics about your graduating class - % of student attending a 2-year college, 4-year college, joining the military, etc.
- Short 4 question survey
- **Instructions on next slide - COMPLETE ASAP (by May 21st at the latest)!**

### Final Transcripts

- Any student attending a 2- or 4- year college next year will need to send a final transcript to that college.
- Without a submitted final transcript you may not be allowed to register for classes or access your financial aid.
- Do it now, so you don't forget later!
- **Instructions on the last slide - complete prior to June 11th.**

\* Students who have AP scores can select where those scores are sent until June 20th through their College Board account.

  - Click on REQUEST TRANSCRIPT in quick links section on right side
  - Log in using information submitted when you set up the account.
    - If you can't remember your login information, you will need to use the forgot username or password features. We don't have access to your login information.
    - If you never set up an account, you will need to do so. Follow instructions that are provided in this [video](#).
  - Find your college/school
  - **Change option from SEND NOW to HOLD FOR GRADES**
  - Enter payment information (under \$5)
  - Submit request
  - We will send a final transcript with senior grades and graduation date as soon as it becomes available in June.
- It is the student's responsibility to make the request through Parchment, without that request we don't have permission to send a final transcript.
