September/October 2010 PTA Newsletter

A Note from the PTA President

by Lisa Briegel

As always, it's been a busy start to the school year here at McMurray Elementary. First Day Welcome Packets were assembled, then reassembled, and sent home with students. We've had New Student Orientation, Walk-Thru Night, McMurray Kick-off, our first PTA meeting, Picture Day, Registration Night for After School Happenings and Dance, the Book Fair, and Open House. The Brunches with the Principal are right around the corner in October. It has truly been a whirlwind, and it's not over yet as the PTA Board and Committee Chairs are hard at work preparing for events throughout the rest of the school year.

Forms went out and forms have been pouring back in. Chairs from the Volunteer, Book Fair, Library, and Open House Committees have been sorting through many of those forms. They are setting up volunteer schedules, trying to involve as many parents as possible. There has been a tremendous response to our membership and donation requests. For the very first time, there was a line stretching all the way into the lobby for After School Happenings. Frankly, I'm overwhelmed by the enthusiasm for all these PTA programs shown by McMurray families!

It is my hope that the McMurray PTA will help build the connection between home and school for both parents and students. Even though our children are older and approaching that middle-school transition, they still

value our involvement in school (though they may not always show it!). It is our way of demonstrating to them that we value education and they should too. Please continue to show your support to the school and to the McMurray PTA. At any point during the year, not just the beginning, we welcome new memberships or offers to volunteer. I hope to see you soon!

New Safety Initiative for PTSD

**Beginning September 13, 2010, all visitors to Peters Township
School District will be required to show photo identification
(driver's license, state issued photo ID, etc.) when entering
any of our schools.**

**This additional level of security allows us to better track visitors
to the buildings and to help to validate the parents and
community members who are entering the building. Visitors will
provide their ID cards to the main office staff and be given a
visitor's pass for their visit. Upon return to the main office to
sign out from the visit, their ID will be returned. Visitors who are
dropping off items in the main office and not entering the main
building will not be required to provide the photo ID. For large
group events within the buildings, parents will be provided with
tickets prior to the event. Safety is a partnership between our
staff members, students, parents and the community. The
District will continue to proactively work to improve the level of
security throughout our schools to protect the students of all
ages who are entrusted to the care of the school district
throughout the day.**
