C Hoff - Sorry about Ms. Grogan, Opening of School - done with nay-sayers, because of leadership.

M. Kitchen - Thanks to staff for opening, no complaints and to Ms. O'Hare for being Acting Superintendent.

K. Cook - Welcome back to students and staff, Ms. Davis and Ms. O'Hare, Sorry for losses

B. Clayton - Smooth going at Caruso, no complaints, thank you all.

P. Frizell - Thanks to everybody and welcome back. Caruso School video was great.

K. Moran - Whirlwind to get schools open, Children are our future, ???, Thanks for support

M. Mankowski - Welcome back, thanks to parents, students and teachers, Caruso School video. Census for the community is underrepresented, that affects funding. School-Based Grant is over 9/30/20. We have been proactive and are most vulnerable:

Thank you to the staff and community members who have met with the media and signed petitions.

On 9/30 we are scheduled to lose our funding. This affects 100 districts out of over 700, approximately 37,000 students and about 218 in our district. It is easy to do because it is a small number, but these are our most vulnerable.

These children are in crisis, with poverty, abuse, drugs and suicide.

Today Gov. Murphy broke ground on a new bridge in South Amboy/Perth Amboy in the shadow of the Victory Bridge. This bridge is known for suicides with signs for suicide hotlines and high fencing.

With this pandemic we are seeing reports of suicide at an alarming rate, including the suicides of our graduates.

Our district has direct access to help, can walk to a trailer at the high school..

This is being replaced with "Children System of Care" a for profit system that consists of a phone number to arrange for help. Many of our children lack transportation and may not have adults in the home who support their need for care.

We need more than a phone number.

Moreover, while I support the police and am a family member of a police officer, we ask them to do too much. They handle mental health, domestic violence, behavioural issues and drug use. We ask them to see us on our worst days when we call 911. Recently Lt. Gov Sheila Oliver, while speaking to police officers stated unequivocally, "We will not defund the police", I support that. I am not asking to defund the police. But what we are seeing is the defunding of: education in districts like ours, mental health care in our community and the defunding of halfway houses. These are all things that are meant to break the cycle of injustice. You cannot go to a Black Lives Matter rally wearing a mask and holding a banner and then remove funding to the programs that are meant to end the cycle of poverty, end the cycle of incarceration, end the cycle of substance abuse and end the cycle of abuse.

I am asking everyone to contact your legislators and let them know that they cannot take these services away from our vulnerable youth.
