

Spring Garden Buzz

September 2023

Just imagine what we can be & do this year!

Hello, Spring Garden families!

In case we haven't met yet: my name is Dr. Elizabeth Babbin, and I have the privilege of working with your kids as the principal of Spring Garden. I am here to support you, your children, and all of the incredible staff members who make SG such a special place. Please don't hesitate to reach out to me if I can help you with anything at all. Email is the best way to reach me – ebabbin@basdschools.org – but phone is great too if it's more urgent. Our number is 610.868.6071.

Here's my first parent newsletter of the year. I'll be sending these monthly. Look to the Buzz for information about important events at school, and key topics that I think will be helpful to you and your families.

September is a month of new beginnings. It feels like anything is possible – and it is. This can be your child's best year yet! Now is the time to establish good routines at home. Let us know how we can support you and your child.

Attendance procedures: What to do when your child must be absent

If your child is sick or must miss school unexpectedly, here's what you should do.

- **There is no need to call the office** or to send a dojo to your child's teacher
- Email springgardenattendance@basdschools.org or send in a written note within 3 days of an absence
- If you have a doctor's note, send it in within three days (either with your child or by email to the above address) – whenever possible, get a note!
- There is no separate Covid reporting process this year; follow your doctor's advice
- Educational trips: request a form via the attendance email at least 5 days before
- Kids are allowed no more than 15 trip absences for all elementary years

We want to help your child be in school so that we can give them all the great instruction and social interaction they need to thrive. Please reach out to Mrs. Montiero, our attendance secretary, at springgardenattendance@basdschools with any questions.
