September 2023 MONTHLY NEWSLETTER Vol 2 Issue 1

The Administrator's Desk

This school year is all about growth.

As a school, it is evident that Provine grew last school year. However so much more can be achieved. To achieve more, every individual at Provine High School must be willing to grow individually. My plan this school year is to challenge every individual that comes through the doors of our school to grow as a person so that together we grow and Raise the "B"ar!

New Teacher Spotlight

New Teacher of the month

Greetings, I'm Tiffany Clark. Hailing from the glamorous city of Atlanta GA. I attended the prestigious Tougaloo College where I obtained my BA degree in History. I chose Provine because I wanted to help children excel in learning. I'm so excited and grateful to be in this loving caring environment. I'm praying for a fun educational school year. See you in the city.

ATTENTION

NEW TEACHER session will be held on [September 7, 2023](#), at Enochs from [4:30pm - 6:00pm](#). Mentors *are not required* to attend these sessions, but please encourage your new teacher mentees to attend. *These are not mandatory*, but a great way for new teachers to continue networking with one another.

Word of Advice

Upperclassmen Message

How to survive as an Underclassmen
during the 2023-2024 school year

HEY UNDERCLASSMEN , I am John White your Mr. Provine. I would like to send you all a message on surviving as an underclassmen . First I would like to start off by saying in order to stay out of trouble you all would have to check self first meaning make sure whatever you are doing is not drawing negative attention towards you, or whomever is around you. Also, even though being a freshman is fun and all, but it's the new beginning of your last 4 years and the first one is the most important one. Never think being in activities at the school is lame, or anything because nobody can't get you passed the next stage, but you. Living and learning while you are young will build your character and help you progress throughout the years. For me, it wasn't easy because we were virtual my freshman year so you all have a head start on building your reputation. Don't wait until the last minute because that person that's not scared to take on a challenge will always come out on top . That person can be (Youuuuuuu!!!!)

~~John White

Ram Scholars

Jason Reynolds, one of the Book Festival's visiting Middle Grade authors, spoke to more than 7,000 students, through his in-person presentation in Thalia Mara Hall, and through a live streamed event to close to 300 classrooms all over the state. At the conclusion of the in-person sessions, every student was given a free copy of his latest novel *Miles Morales Suspended: A Spider-man Novel*. "There is nothing quite like a student having a chance to hear directly from a nationally recognized author, to learn what it's like to write a book and to create stories and characters," said Daniels.

~Great experience for our scholars chaperoned by Mr. Lee and Mrs. Rogers 9th grade English Dept.
